

## FROM THE SCHOOL,

### **Congratulations to Our Cross Country Runners!**

We would like to extend our heartfelt congratulations to our Cross Country runners who competed last week in challenging cold and wet conditions. Our team did a fantastic job and came away with the Lower Lachlan Cross Country Handicap Trophy. Well done to everyone for your hard work and dedication!

### **CWA Public Speaking Competition**

Today, we have two of our talented students, Darcy and Alice, competing in the CWA Public Speaking Competition held in Parkes. Good luck to you both! We are proud of your efforts and can't wait to hear how you go.

### **Best Wishes to Sonny**

We also want to send our best wishes to Sonny, who is off to Sydney in Week 6. Sonny is part of the Western Region PSSA AFL team and will be competing at the state carnival. We hope you have a fantastic time, Sonny!

### **Walk Safely to School Day**

Last Friday, all students participated in Walk Safely to School Day. It was a wonderful way to start the day, with buses dropping students off at the park so we could all walk together. Thank you to everyone who took part!

### **CHANGE OF DATE - Athletics Carnival**

We would like to inform everyone that our Athletics Carnival has been rescheduled. The new date is Tuesday, June 17th, and the event will be held at the Recreation Ground.

We look forward to seeing all students participate and showcase their athletic talents. Thank you for your understanding, and let's make it a fantastic day!

# P&C

# REPORT

We had a good attendance at the recent P&C meeting. Thank you to those who were able to come along and bring a friend.

Mrs Dillon presented information on TCS Welfare Policy and Rusty Shop which was good to learn about. Each meeting Mrs Dillon will present a talk on different topics, so come along and learn something new!

At this stage P&C are focusing on providing and maintaining Tuckshop. Unfortunately Tuckshop does not make a profit and due to limited funds and no fundraising, P&C will not be making donations to students participating in state sports or for excursions.

Please talk to a committee member if you have any concerns.

**Next meeting is 4th August 2025 (Week 3 Term 3) at 5pm at the School. Please join us.**

## LAKE COWAL EVOLUTION MINING EXCURSION

On Monday, Ellijah, Dylan, and Ricky embarked on an insightful tour of the Lake Cowal Gold Mine, accompanied by a comprehensive careers presentation. During their visit, they delved into the diverse career opportunities within the mining industry and gained a deeper understanding of the operational processes at a gold mine. One of the highlights was learning about the substantial amount of gold extracted from each truckload, offering them a tangible sense of the scale and significance of mining operations.

This piece of gold is worth over a million dollars!

TERM 2 - WEEK 3 AND 4

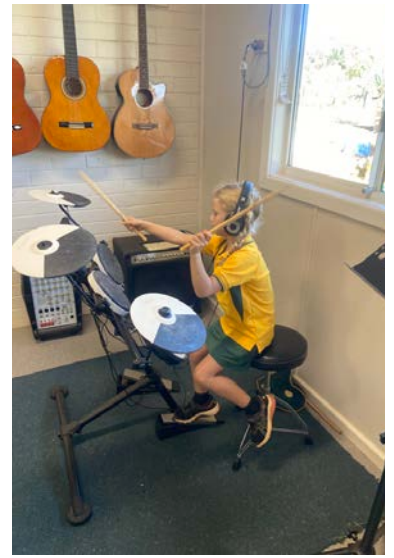

This term has been full of energy and excitement in PDHPE! Students have enthusiastically taken part in a range of engaging activities, including scavenger hunts, team-building challenges, and a diverse selection of net and court games. These activities have not only promoted physical fitness but also strengthened cooperation and communication skills among students.

In the wellbeing class, students have enjoyed trying their hand at Wii Sports, blending fun with movement in a unique way. They've also explored their culinary skills by preparing some delicious pancakes—adding a tasty twist to learning about wellbeing! It's been a fantastic term of growth, laughter, and learning!
