Education &

Secondary and Primary Excursions

Yesterday our Primary students headed off to Wagga for their 3 day excursion to Borambola and our secondary students caught the state rail bus this morning to head to Sydney for their 4 day excursion. Thank you to Miss Pearce and Mr West for organising these two excursions.

3-6 Borambola Excursion

Secondary Excursion

Some very sad parents!

Swim School

This will be run during week 8 and 9 for all primary students Kindergarten to Year 6. Miss Pearce will be coordinating this activity and students will be involved in intensive learn to swim lessons for 40 minutes every day. All students will be expected to bring swimmers towel etc each day. A note will be given to students next week.

Reports

Staff are currently working on the students end of year reports which we are hoping to have out to parents by the end of week 10.

Grandparents Day Author Visit

Next Monday we will be celebrating Grandparents day and we will have Lyn Ward visit the school and read her new book "Sally Snickers Knickers". The day will begin at 10.00am with the reading of the book and will be followed by a morning tea for guests. Lyn will also be selling and autographing her book. We invite all community members to attend this event.

PATHs (Promoting Attainment and Thinking Skills)

On the 1st December Kate McGown will be hosting an information evening for all parents on the PATHs Program which we are hoping to have running next year for years 5-8 and then extending into the other years. Kate will spend some time that week working with the students and getting familiar with the program. This Program will help to support students with building their confidence with their learning, self-knowledge and skills acquisition to help prepare students for the 21st Century learner.

School Captains

Students in Year 11 have been offered the opportunity to apply for the position of school captain for 2015 and have been given the application forms. We will be announcing our successful applicants at Presentation Night.

Donations for Presentation Night

Last week letters were sent out to all the people and companies who have donated to our Presentation Night in previous years, asking for donations for our 2014 Presentation Night. I have also attached a copy of the letter for those who may not have been asked before but would like to donate. Your donations would be greatly appreciated.

**School Sport**

Due to the hot weather we have decided to run Friday sport earlier in the day. All students Kindergarten to Year 10 will now have sport on Friday morning at 9am. This will hopefully be cooler for the students. We are asking that all secondary students to bring a spare shirt to change into after their sport lesson. Just a reminder that aerosol deodorant cans are not allowed at school only roll on deodorant is to be used.

Anti-bullying Policy

The staff are currently working on updating out Anti bullying policy over the next few weeks they will be looking at the current policy and also the DET policy. Please contact the school if you would like to be involved.

ESSA Test

This week and next week students in Year 8 will be completing the Essential Secondary Science Assessment. Good luck to all our students.

“ESSA is a statewide Science assessment program based on the NSW Science Years 7-10 Syllabus, which mandates the teaching of science in contexts that assist students to see the relevance of science and to make meaning of scientific knowledge, understanding, skills, values and attitudes.”

Concerns or Questions

If at any time you have concerns or questions about your child's education please feel free to contact me at the school on 69729105

Also a big thank you to Mr West for organising this excursion.

Congratulations to Tayah, Grace and Braden for their efforts at the F1 in Schools State Championship at UWS last week. The students were runners up at the state competition and also won the best poster design for the cadet class.

PaTHS

During week 9 Kate McGown from University of New South Wales will be at Tullibigeal Central working with the Year 5-8 students on a pilot program initiated by the university. Tullibigeal was one of two schools selected to pilot the PaTHS program.

I encourage all parents to attend this workshop to learn about the program and what it is trying to achieve. If you intend on attending this even please RSVP to Timothy Small at the school by the 24th November.

Term 4, Issue 5

Friday the 14th we will be making a striking string art picture. All equipment supplied. Snacks and fruit platter will be available for all children who come to the centre. I ask that if children prefer to have fizzy drinks over water or cordial that \$2.00 be sent with them. Otherwise the night is free.

At the last Youth Centre gathering the children involved themselves in a scavenger hunt in which we collected various items around the yard and in the park. Ella then used some these to make a very bright and sparkly character, while the others played a game of pool and helped with getting our snacks ready. Thank you Dakota for your assistance.

Our winner for finding all items the fastest was Ella. She received a miniature 'Bop-It' game. Well done.

Thank you, Sharon.
