Crossroads

Last week Mr Hague and Ricky Riley participated in the Crossroads camp at Lake Burrendong with the Lachlan Access Schools. Ricky joined with many of the students who will be participating in the LAP program and was able to meet some of the teachers who will be teaching over the program next year. Ricky participated in some team building initiatives and also learnt how to utilise the video conferencing equipment. Thank you to Mel Rees Head Teacher Lachlan Access Program for coordinating the week long excursion.

**3-6 Far Out Treasures**

This Wednesday our students in Years 3-6 will be heading to Lake Cargelligo Central School for the Far Out Treasure Performance from the State Library. Students will be leaving at 12.15pm and will be home in time for the buses.

Questionnaire about the school

Thank you to those community members who have completed the survey about the school and I urge all community members to please fill in the attached survey, this will help the staff to have a clear understanding of the community needs and the directions for the school plan for 2015-2017 your thoughts will help to steer the priorities of the school.

Swim School

Swim school will be run during week 8 and 9 for all primary students Kindergarten to Year 6. Miss Pearce will be coordinating this activity and students will be involved in intensive learn to swim lessons for 40 minutes every day. All students will be expected to bring swimmers towel etc each day.

PATHs (Promoting Attainment and Thinking Skills)

On the 1st December Kate McGown will be hosting an information evening for all parents on the PATHs Program which we are hoping to have running next year for years 5-8 and then extending into the other years. Kate will spend some time that week working with the students and getting familiar with the program. This Program will help to support students with building their confidence with their learning, self-knowledge and skills acquisition to help prepare students for the 21st Century learner.

Yr 12 Independence Day

Our current Yr11/12 students have been invited to attend the Independence Day ASPIRE workshop in Condobolin on Thursday 27th November. This day will be interactive, practical and fun with the objectives being developing skills around time management, finance, finding jobs and finding accommodation. The day will start at 9am and finish by 2pm.

PAThS

A reminder that Kate from UNSW will be in the school next week working with our years 5-8 students on a pilot program to hopefully be implemented next year. A reminder that a parent workshop will run on Monday the 1st December starting at 5pm, those wishing to attend this workshop could you please RSVP to the school as soon as possible. This is not only for parents of students in year 5-8 as this will become a whole school program.

CrossRoads

Thank you to Mr Hague for travelling to cross roads with Ricky Riley last week. From all reports Ricky had an excellent time and was able to meet the majority of his cohort for next year.

China Expedition

Students currently in Years 8 and 9 are being offered the opportunity to travel to China in 2016. Please find attached the flyer and expression of interest. Tullibigeal has been offered this opportunity through Condobolin High meaning we can attain viable numbers to go. Both Lake Cargelligo and Condobolin went this year and from all reports the students had a fabulous experience. The excursion takes place in the October school holidays and going in 2016 gives the students plenty of time to cover the cost. If there is interest in this excursion I can arrange for an information evening early next year.

Dear Parents

Re: Proposed China Excursion 2016

I am currently after an expression of interest of students wanting to attend an excursion in October 2016, a 13 day tour of China.

Planned excursion

1. *Itinerary*
 - Attached is a brochure of the itinerary of the proposed tour.
 - If there is enough interest a representative from Educational World Tours (EWT) will come to the school and address both parents and students about this opportunity, including detailing of the payment plan.
2. *Students involved*
 - This opportunity is open to the current Year 8 and Year 9 students. These students will be in Year 10 and 11 in 2014. In October 2016 Year 11 will have finished their preliminary course and be ready to start their HSC course therefore it is a perfect time to take the trip.
3. *Cost*
 - The cost of the **2014** tour was \$3195.00; Government Taxes and Airline Surcharges - \$449.46, Visa Application Fee - \$98.00, QBE Insurance - \$99.00 (Nil Excess)/\$74.00 (\$100 Excess) being a total of \$3841.46/3816.46. The EWT representative will give a firm price for the 2016 tour when she addresses those that are interested.
4. *Rationale*
 - This is an opportunity that would enhance student's view of the world outside Condobolin.
 - With two years notice students have time to save money for the trip, they will have two Birthdays and Christmases in this time that maybe they can forfeit presents for money for the trip!
 - Once you have made the decision to go (after the address from the EWT representative), EWT will need a \$400 deposit and the rest is paid on a negotiated payment plan.
5. *Closing Date of expression of interest*
 - Students need to have the signed interest form returned to school by Friday 31st October 2014.

Remember this is only an expression of interest to allow me to organise with Education World Travel to come and address you. Therefore, if there is genuine interest please fill out the form.

Yours faithfully

Questionnaire: Tullibigeal Central School

We are currently asking all parents, carers and community members to complete a short survey about the school we would like to hear your comments both positive and negative. Students will be encouraged to ask as many members of the community to complete the form so we can get a clear view of the perception of the school. Please be honest so we can obtain a clear view of the perception of the school. This will help to guide the school with the direction for our school plan. If you have any questions or concerns about the questionnaire please contact me at the school.

Term 4

Friday 28<sup>th</sup> November. Come to the community centre and make some new and interesting Christmas decorations.

String art was a hit, even though everyone got frustrated with the string popping of their nails, the results were outstanding. Such a good activity for all ages. Younger children tried to hammer in the nails but obviously had more trouble than the older ones, however we got that done with some assistance from myself and began on the string all children followed instruction really well. The children decided it would be a good idea to add paint to the finished product which made the end result magnificent, such a good effect- smart kids.

We are going to add a special night on the 5<sup>th</sup> of December for the end of term. There will be a movie, (yet to be decided) showing at the centre. I have kept the time the same as usual due to the Lake Drama club's showing of their play 'World Bra Unclipping Championships at Garimba' on the same night. If anyone would prefer the Youth Centre to be open at different times please let me know.

Thank you, Sharon.

Garimba is a small Queensland county town in big economic trouble.

Its cattle and crop growers have been battered for years by one drought after another, so, believing that tourism can be their salvation, the Business Attraction Group of Garimba decides to stage a "grabber" event. In a desperate effort to bring money and recognition to their town, BAGG throw around a few ideas that could reel in the tourists but unfortunately, all the "world" events seem to be happening elsewhere. All except one!

**Pre-sale tickets available at Tullibigeal Co-Op, BP West LAKES Fuel Supplies and Cargelligo Collectables for \$15 OR \$20 at the door on the night.**
