## Principal's Report

It is my pleasure to be back from the big smoke and enjoying working back in the Central West.

**Australian Mathematics Competition** Seven students from TCS sat this competition on 30 July. The school recently received their certificates. They performed very well, obtaining 3 credits and 4 proficient results. Congratulations to Rick, Braden, Riley, Damon, Elly, Blake and Tahlia. This is a difficult competition and these students have shown resilience as well as strong skills in mathematics. Each can be proud of their achievement. Remember that results of credit or proficiency are very good and they have been earned within a pool of the best maths students in Australia, Asia and the Pacific. Their certificates will be handed out on Friday morning and they should definitely be retained for inclusion in their CV. Great work.

### Staff In-Service The Seven Steps to Effective Writing and Resilience Doughnut

Yesterday evening, staff attended a 3 hour in-service on Seven Steps to Effective Writing. This is the second in-service staff have attended. I wish to give special thanks to Danny Hague for hosting that in-service and inspiring us all with methods to strive for effective and engaging writing. Effective writing is one of the most valuable skills students can learn at school. Effective writing is a part of all subjects, not just English.

On the last of term 3, staff participated in an all-day in-service on the Resilience Doughnut.

This provides a way of talking about the assets which students can use to build their resilience and be more robust as students and participants in life. The staff at TCS are fantastic. I want to pay special tribute to their commitment and their efforts to improve the learning of all students in their classes.

### Continued thoughts for our HSC girls

Our thoughts and best wishes remain with Kelsie, Dannielle and Michaela as they continue with their schedule of HSC exams. Good luck, work hard. General Mathematics is tomorrow. Special good luck there.

### Contact us anytime

I appreciate your calls anytime. Keep us in the loop and don't be shy to give us your feedback. Here's to the next eight exciting weeks in Tulli.

Just a reminder that school contributions are now overdue. These fees help to provide resources for your child's education. An invoice of your outstanding fees was sent out last week, please contact the school if you have any questions regarding these fees.

Until next week...  
Tom Garvey  
Principal

## LIBRARY NEWS

We are looking forward to our Author Visit from Roland Harvey on Thursday 29 October. During library we have been reading some of his picture books, viewing his illustrations online and exploring his website. Next week, during class, we will start thinking about some questions we might like to ask him about his career as a writer and illustrator. Also in Art we will be given the opportunity to recreate one of his interesting and detailed illustrations.

Congratulations to those students this week who received a spot prize for remembering to their library bags and books.

## Tullibigeal Swimming Pool News

### The Pool is OPEN!!

We have decided to open the pool early as the weather has warmed up and it is ready to go. As we have had no one show any interest in the pool lifeguard position there will be no Supervisor on duty. You will have to have your Bronze Medallion and First Aid to be able to open the pool. If you are opening the pool you don't have to have others there to swim who don't have their certificates. It is up to you.

Starting in November, we will try and get a volunteer roster going. If you are available to help can you please let me know. If we don't get enough helpers, the pool will only be open to the public on certain days with a supervisor.

### **Sport and Recreation's Swim and Survive lessons**

Australian summers usually involve plenty of fun in and around  
the water, but no parent should forget how important it is to  
make sure children stay safe.

Sport and Recreation's Swim and Survive classes for preschoolers  
and school-aged children help youngsters learn important ways  
to be safe and enjoy our pools, rivers, beaches and lakes.

The intensive nine-day programs provide wonderful results, and  
are great fun as well. Plus, family discounts make our program  
affordable for all the children in the family.

Sport and Recreation runs Swim and Survive classes in pools  
throughout regional NSW.

Our instructors are nationally qualified and screened for their  
suitability to work with children.

Prices for nine lessons are \$69 for school-aged children and  
\$49 for preschoolers (prices exclude pool entry fee).

Categories that will be awarded at each ceremony are:

- **Australia Day Award (Community Service)**
- **Young Citizen of the Year;**
- **Community Event of the Year;**
- **Special Achievement Award** *(for achievement in a range of pursuits including sport, the arts, education or the achievement of a personal milestone)*

Australia Day provides a wonderful opportunity to recognise and acknowledge members of our local communities who have made positive contributions and to honour those who have made personal achievements in a range of pursuits including sports, the arts, or study.

Australia Day is also an opportunity to acknowledge those individuals who volunteer so much of their time to ensure much needed community services, sporting events and a range of other activities are conducted across our Shire.

Mayor of Lachlan Shire John Medcalf said Australia Day is a time to say thank you to those who enrich our lives in our communities and who have gone above and beyond.

"The Australia Day Awards allow us to recognise the contributions that many individuals make to their local community each year and Council is proud to recognise individuals and groups whose contributions and achievements illustrate the true meaning what it is to be Australian," said Mayor Medcalf.
