Term 4

Week 1

6 October 2015

Truth \* Consideration \* Service

## Principal's Report

I hope everyone had an enjoyable break and we are ready to start our busy last term.

Last Friday staff came into school a day early to complete some training and development on The Resilience Doughnut. This gave our staff an insight into how to improve a student's resilience and the importance of allowing students the opportunity to navigate their own way in situations.

*"The Resilience Doughnut is a model for building resilience that considers both the internal qualities of a resilient person as well as the factors in the person's environment which support and interact with those internal qualities"*

Thank you to Cay Camden who came from Sydney to present the Resilience Doughnut to the staff and thank you to the CWA for the great lunch they provided.

Last week of term we saw the end of our three Year 12 girls, Dannielle, Kelsie and Michaela's education at Tullibigeal Central School. The school held a graduation dinner on the Thursday evening where it was lovely to see all three ladies dressed up and the evening went off without a hitch. We also celebrated this special occasion with a formal assembly on Friday morning where all the classes farewelled the girls. Finally the girls took over the assembly and auctioned many of the staff's items they had obtained throughout the week. The money raised was then donated to school excursion is being held this term.

Next Monday 12<sup>th</sup> October the girls will begin their HSC Exams down at the RSL rooms. Good luck and remember to try your best.

Kelsie, Michaela and Dannielle

During the holidays the Show team, with Miss Goldthorpe and Mr Pic, headed to the Santa Gertrudis Sale held at Tara Station. This gave the students an insight into the way a station handles their stock and the running of a sale. Thank you to Judy and Phil Hague who have kindly donated some stock for the students to work with next year.

Also over the holidays our three video conference rooms were upgraded. These were done across the LAP schools, allowing all rooms to have added features and consistency across the LAP program. Thank you to Mr Small and Miss Rees from Condobolin High School for overseeing this project.

Until next week...  
Tom Garvey  
Principal

## Term 4 Coming Events

<b>Tuesday 6<sup>th</sup></b>	Term 4 begins for Staff and Students
<b>Monday 12<sup>th</sup></b>	HSC Exams Begin
<b>Wednesday 14<sup>th</sup></b>	Year 7 Vaccinations

## Primary News

Welcome back to term 4. I hope everybody had a relaxing and enjoyable break.

As you can already see, this term will be a warm one and it is important that all students bring a water bottle full of water to school every day. They will also need to bring a hat as students will be asked to play in the shade if they don't have a hat. This is part of our Sun Safe Policy.

This term will be very busy with the 3 to 6 excursion taking place, Students will receive a permission note and costing for this excursion later this week. Students will be heading off to Canberra in week 5.

Practice will begin on our performances for the Melbourne Cup Day and our end of year play. Mrs Hayward will be busy with students practising their lines, learning songs and making props.

Later in the term we will be running intensive swimming lessons for all students' Kindergarten to Year 6. These lessons will run for two weeks. More information about these lessons will be given out later in the term.

Congratulations to all our winners and competitors of the handwriting at the Lake Cargelligo Show last term.

Finally welcome to our Kindergarten Transition students who will be staying with us for a whole day every Thursday. This program will run until Thursday 26<sup>th</sup> November (week 8).

Assistant Principal

## Secondary News

**Welcome back** to all students and staff for a busy Term 4 at Tullibigeal Central.

Good luck to Dannielle Wilson, Kelsie Ridley and Michaela Riley who will be sitting their HSC exams. These exams start with English on the 12<sup>th</sup> October and will finish with Community and Family Studies on the 23<sup>rd</sup> of October. Again good luck in these exams I am sure your hard work over the previous 2 years will get you where you want to go.

Good luck to Ms Goldthorpe who has the privilege to mark HSC papers this year for Biology.

Year 10 will attend the Cross Roads excursion through LAP during week 7 of this term, Monday 16<sup>th</sup> to Friday 20<sup>th</sup> November. This is a week-long excursion at Lake Burrandong where students are introduced to senior studies and the LAP program.

The Year 10 boys will attend TAFE again this term in Condobolin where they will continue with the automotive course. This course will also continue to run next year for these students, attempting to complete their Certificate II.

Students will have assessments due again this term and I hope the same amount of effort is applied this term as was last term. If you are struggling with an assessment you need to speak to your teacher and Mr Small before it is due so we can help you through the assessment.
