Term 4

Week 2

13 October 2015

Truth * Consideration * Service

Principal's Report

On Monday 12th October Dannielle, Kelsie and Michaella all began their HSC Exams down at the RSL rooms. They will sit exams over the next two weeks. Best wishes girls.

We have had an outbreak of head lice in the school. Please be vigilant and check your child's hair regularly. A note was handed to all students on Monday on how to deal with head lice.

Last week we held a fire drill in the school which ran smoothly. It is a timely reminder to go through with your family on what to do if there is a fire. A plan should be in place for your family.

Also out and about at the moment have been many sightings of snakes. I would urge all parents to talk to their children about what to do if they see a snake, even little ones!

The local Gymkhana will be held later this month and as this is the major money raiser for our schools P & C, it is important that all parents help out. The P & C have been very generous this year with helping to support all students with their overnight excursions with \$50.00 donation per child and with a smaller donation towards the Kindergarten to Year 2 excursion.

Remember many hands make light work.

Notes for both the Secondary and Primary excursions all went out last week please make sure you return these notes with payments as soon as possible.

If you are having trouble covering the cost of these excursions, please contact me to discuss alternative arrangements.

Just a reminder that School contributions are now overdue, these fees help to provide resources for your child's education. An invoice of your outstanding fees will be sent home this week, please contact the school if you have any questions regarding these fees.

Until next week...
Tom Garvey
Principal

Term 4 Coming Events

OCTOBER 2015

Monday 12th	HSC Exams Begin
Wednesday 14th	Year 7 Vaccinations
Thursday 22nd – Sunday 25th	Beef Bonanza at Scone
Saturday 25th	Tullibigeal Gymkhana
Wednesday 28th – Friday 30th	Secondary Excursion to Jinabyne
Thursday 29th	Author visit from Bland Shire – Roland Harvey
Friday 30th	Daniel Morcombe Day
Tuesday 3rd – Friday 6th	Primary Excursion to Canberra

Primary News

Intensive swimming lessons have been timetabled for week 7 and 8 this term. All students' Kindergarten to Year 6 will be involved and these lessons will run every morning.

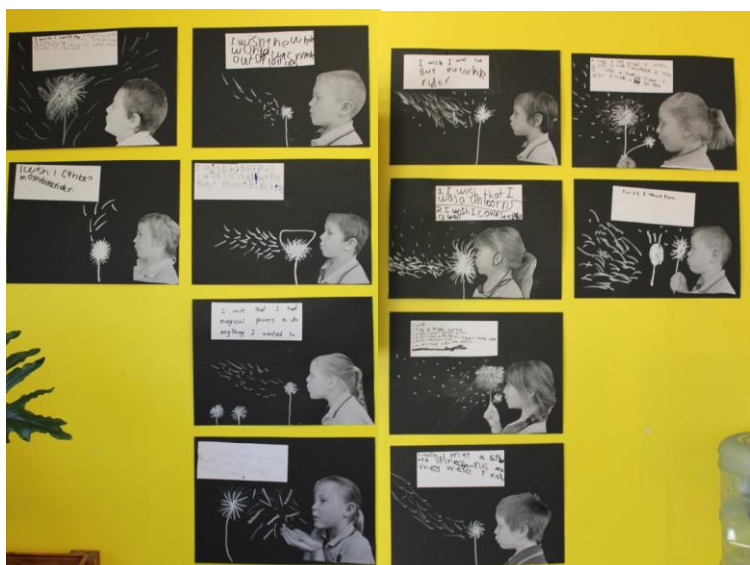

Canberra excursion notes were handed out last week for all students' Years 3 to Year 6. After support from the P & C, subsidy from the school and with the hard work of fundraising from the students, the cost of the excursion is \$200.00 per person.

A note was handed out this week asking for students in Year 3 to 6 to help with the drinks stand at the Gymkhana. We are asking for students who are willing to help, to please put down their preferred time. For those students who need to travel down we will also place their parent on the P & C roster for the BBQ at the same time to make this more convenient.

Don't forget to wear your hat to school. If you don't have a hat there are some hats which can be borrowed from my office. Remember not hat, play in the shade!

Jacqui Dillon
Assistant Principal

K/1/2 Visual Arts Display

Secondary News

Secondary Excursion

A reminder to return notes and money for the secondary excursion as soon as possible. This excursion will run from Wednesday 28th October until Friday 30th October. Thank you to Mr West for organising and Ms Ward for agreeing to participate in this excursion.

Yearly Exams

Yearly exams for secondary students will run during week 5 of this term, that is from the 2nd November until the 5th November. These exams will run during periods 1 and 3. English and Maths will be the Monday, Science and HSIE will be Tuesday and PDHPE will run on the Thursday. Please ensure you are here for this week to complete the exams when they are scheduled. Students should take the next 3 weeks as an opportunity to revise this years' work in preparation for these exams.

HSC Exams

The three Year 12 girls sat their first English paper yesterday and will be sitting their second English paper today. Best of luck in the remainder of the exams. Michaela will sit her Ancient History exam Thursday morning and Dannielle and Kelsie will sit their PDHPE exam on Friday afternoon of this week.

Scone Beef Bonanza

Thank you to Ms Goldthorpe for organising the Steer Program again this year. All the students seem to enjoy this program. Students and Ms Goldthorpe will attend the Scone Beef Bonanza again this year from the 22nd October until the 25th October. The school & students appreciate your efforts in attending this important event.

Work Experience

Students in Years 9 and 10 will have the opportunity to attend another week of work experience during week 8 of this term, 23th November until 27th November. Students need to start to think about where they may want to complete this week and have several options ready for when the paperwork needs to be complete.

Timothy Small
Relieving Head Teacher

BIKE SAFETY 2015

Infants and Primary students were involved in Bike Safety week at the end of last term. They were divided into groups of mixed students and completed 6 rotations.

1. Students visited Safety Town where they looked at protective equipment, laws about riding bikes, skateboards and scooters and keeping safe on busy roads on the smartboard.
2. Students designed and created a special helmet.
3. They designed a protective device for an egg, using only a foam cup, sticky tape and straw. They had to test on a hard surface. This reinforced the need to correctly wear an approved helmet.
4. A safety tip poster or rap.
5. Riding trollies through and around a roundabout, where they had to follow given road signs.
6. Completed a comic strip making sure Bec was ready to ride her bike safely to school.

Years 3 – 6 were also involved in Bike Week Challenge where they competed against Orange Public and Moulamein Public. Here they played a game show quiz, testing their bike safety knowledge.

merit AWARDS

Jessie Tyack	<i>Working well in a group and helping others</i>
Archie Trudgett	<i>Being a responsible learner</i>
Jack Henschke	<i>Trying his best in Science</i>
Jack Henschke	<i>Positively joining in class discussions</i>
Miranda Barnes	<i>Always having a positive attitude in Science</i>
Tahlia Crawford	<i>Easily grasping 3 by 3 digit multiplication</i>
Teleah Forrester	<i>Always putting her hand up in class to ask a question</i>
Riley Glasgow	<i>Helping the transition students in the playground</i>
Braden Payne	<i>An excellent effort in his languages assessment</i>
Grace Dillon	<i>An excellent effort in her languages assessment</i>

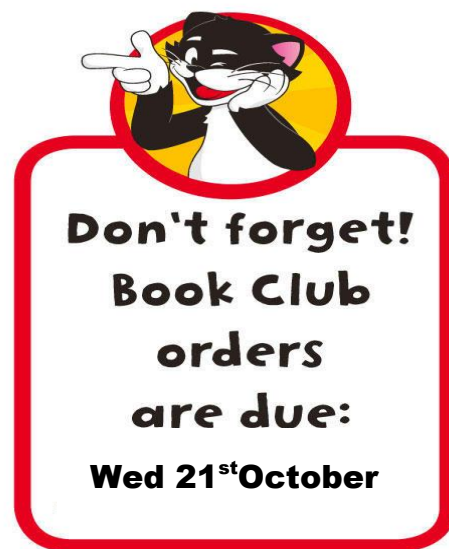

LIBRARY NEWS

Friday Primary School students received their book club leaflets and Secondary students can pick theirs up from the Library.

If items are being ordered as gifts at any time please put your own name on the order form and attach a note saying not to give the order to the students.

We begin this term with enthusiasm for a great term. We will once again hold a competition to see which student or students from each year return their library books and bag the most. Please encourage your child to return their books each Monday to be in the running for a prize at the end of the term. We also have spot prizes where everyone who returns their library bags on particular weeks will receive a bonus treat. These spot prizes are to encourage borrowing and therefore reading and sharing reading in the home.

Thanks Joclyn Newham

OCTOBER Birthdays!!!!!!

Congratulations to Mia, Tahlia and Kyle below who have reached their 10 weeks of deposits, and Braden and Kolby who have reached their 20 weeks of deposits. Well done!

10 October 2015

MEDIA RELEASE

CHILD RESTRAINT SURVEY RESULTS

Congratulations to Tracey Chambers of Parkes who has been announced as the winner of the Parkes, Forbes and Lachlan Shire Councils' child restraint awareness survey incentive prize.

By simply taking part in the six question survey, Tracey has won \$300 worth of fuel vouchers and her nominated educational institutional - Parkes East Public School - has won \$200 worth of educational resources.

Parkes, Forbes and Lachlan Shire Councils' Road Safety and Injury Prevention Officer, Melanie Sutor, says that the survey was part of the current *I'm counting on you* project which focuses on the correct selection, use and fitting of child restraints.

"The aim of the survey was to determine the current awareness levels related to the correct use of child restraints. Parents were asked what they knew about the types of child restraints available, how they would know it was time to move their child into the next type of child restraint, where they can get their restraint fitted correctly and more.

"More than 40 surveys were completed and respondents were from all across the three council areas," Ms Sutor said.

The results showed that:

- 56% of respondents could describe that the National Child Restraint Laws require children to be restrained in a child restraint appropriate for their size, however, most did not mention that the guidelines specify up to seven years of age.
- 54% of respondents could name their local Authorised Fitting Station or could identify where to find out (on the RMS website).
- 59% of respondents could name the three basic types of child restraints - rearward facing or baby capsule, forward facing and booster seat.
- 67% of respondents could partially identify some of the things to look for when purchasing a second hand child restraint - that it complies with the Australian Standards, that the restraint is not more than 10 years old, there are no frayed straps or no missing buckles/bolts, that the plastic is not cracked and the history of the child restraint (that it has not been involved in a crash).
- 56% of respondents could partially identify when to move a child from a forward facing child restraint to a booster seat - they either said at four years of age or when they have outgrown it, but not both.
- 69% of respondents could partially identify when to move a child to an adult seatbelt - most said at seven years of age, not many knew that the recommended height to be seated in an adult seatbelt is 145cm tall.

"This data forms a baseline of the current awareness levels which we hope will rise with the rollout of various project strategies in the coming months as we provide parents with information to address the identified knowledge gaps.

"We will be conducting the same survey at the completion of the project (in 2017) to measure whether there has been a shift in awareness levels," Ms Sutor said.

In NSW almost 500 children under seven years of age are passenger casualties each year. Australia-wide the numbers are over 4,000 annually. Often injuries are caused by the incorrect use of a child restraint (where the child is too young and/or too small for the restraint) or by a restraint being fitted incorrectly. The results of the recent child restraint checking days in Parkes, Forbes and Condobolin showed that around 2 in 3 child restraints weren't being used properly.

For further information please contact Parkes, Forbes and Lachlan Shire Councils' Road Safety and Injury Prevention Officer, Melanie Sutor, on (02) 6861 2364.

Sport and Recreation's Swim and Survive lessons

Australian summers usually involve plenty of fun in and around the water, but no parent should forget how important it is to make sure children stay safe.

Sport and Recreation's Swim and Survive classes for preschoolers and school-aged children help youngsters learn important ways to be safe and enjoy our pools, rivers, beaches and lakes.

The intensive nine-day programs provide wonderful results, and are great fun as well. Plus, family discounts make our program affordable for all the children in the family.

Sport and Recreation runs Swim and Survive classes in pools throughout regional NSW.

Our instructors are nationally qualified and screened for their suitability to work with children.

Prices for nine lessons are \$69 for school-aged children and \$49 for preschoolers (prices exclude pool entry fee).

TULLI HOPPERS & HOPPETTS NEWS

We will be holding a crisis meeting on Wednesday 21st October at The Mayfield Hotel, starting at 7.30pm as there has been no takers for the President, Secretary or Netball co-ordinator jobs the future of our club is in doubt.

The club cannot go forward without these positions being filled so we are hoping for a big turn out to fill these positions and start planning for the upcoming season.

There is still quite a bit of money outstanding from this year. If you have purchased clothing & haven't paid could you please get the money to Leanne asap.

I also have two premiership jackets that were ordered & still haven't been picked up. Could those people please pick them up from Leanne's asap.

Leanne
