10 November 20 Term 4 Week 6 Truth * Consideration * Service

Principal's Report

Learning Planning Meetings have been great throughout the year but realistically, we won't fit a second meeting in this year. Our Learning Planning Meetings will return next year with all the improvements we have learned. The idea is about partnership to benefit students' learning. The LPMs are just a part of our commitment to that partnership.

No hat no play and drink bottles Students are required to wear a hat when playing in the playground "No hat – no play". Also the best drinking water in the school comes from the cooler in the front office. Students should have a water bottle with them at all times in these hotter months. They must have a water bottle to pour water from the cooler.

Changed P + C Meeting A note went home yesterday with students to advertise the change of day and venue for this week's P + C meeting. This month's meeting is Tuesday evening at the Mayfield. This gives the hard working P + C a chance to sample the chinese fare. It provides other parents a chance to add to the guorum.

Whooping cough alert - advice for schools I feel sure you all know about whooping cough but the department has asked that this information be conveyed to parents.

There is an outbreak of whooping cough (pertussis) in NSW, mainly affecting school-aged children.

Coughing spreads the infection to others nearby.

Whooping cough can spread to anyone at home, including younger brothers and sisters. Whooping cough can be especially dangerous for babies.

Education & Communities

Whooping cough starts like a cold and progresses to bouts of coughing that can last for many weeks. The infection can occur even in fully-vaccinated children. Older children may just have a cough that is persistent and may be worse at night.

- Children with these symptoms should see a doctor.
- If your doctor diagnoses whooping cough in your school-aged child, please let the school know and keep your child at home until they have taken 5 days of antibiotics. Keep coughing children away from babies.
- Whooping cough vaccines give good protection against infection but immunity fades with time. Check that all your children are up to date with their vaccines, due at 6 weeks, 4 months, 6 months, 4 years and 12 years of age (offered to all Year 7 students through the NSW school-based vaccination program). A booster is also recommended at 18 months of age.

A booster dose of vaccine is also recommended for adults that are in contact with young children, such as school staff and parents. Pregnant women are recommended to have a booster dose during each pregnancy and this is funded by NSW Health. Those who are new parents or carers of babies should consult their general practitioner about appropriate immunisation. Your local public health unit can provide advice about whooping cough on 1300 066 055 or visit the NSW Health website for information for childcare and schools about whooping cough.

Excursions We have to give 3 cheers to Miss Pearce, Miss Ward and Mr Pic. Your efforts in organising and running a successful excursion of 4 days duration took great commitment, patience, hard work and generosity. Thank you. I feel certain each of the students will have benefited considerably from your extra efforts.

Positive Behaviour for Learning Our Positive Behaviour for Learning values are; Respect, Responsibility and Resilience. As a school we are about to move to signage throughout the school. These signs will provide a great point of reference for students and for staff; in their classroom, on the playground and in all other areas. The exciting thing at the moment is the competition we are running through the school to design a logo for each of the values. Get involved students! Win a yet to be determined prize and have the honour of your logo being immortalised on the signage.

Strawberry Field We've had a little fun with milkshakes and fresh fruit lately. More specifically strawberry milkshakes. K,1,2 did a great job in the strawberry field

today being harvesters and silos before we moved into the kitchen area to combine the ingredients. Great fun. Well done boys and girls. I promise to bring the camera next time.

Sheep dogs Well done to the Stage 5 students and Mrs Tyack for creating a sheep circle in the Ag plot today so we can train the sheep dogs. I hope Mr Dunn approves. We are going to need to borrow a handful of sheep for this

process. Also if anyone knows where the school can get hessian to complete the fence please let us know.

Go sisterhood A female

jockey, Michelle Payne won the Melbourne cup last Tuesday first time ever. Go sisterhood.

Best of luck for our harvesters. Hopefully the weather will cooperate a bit better over the coming week

Until next week... Tom Garvey Principal

Term 4 Coming Events

NOVEMBER 2015

Thursday 12^{th -} Sheep Dog Training at UCS

Monday 16th - Friday 20th Crossroads excursion for Year 10 to Burrendong

Tuesday 24th - Sheep Dog Training at UCS

Monday16th - Friday 27th K- 6 Intensive Swim Scheme

Monday 23rd - Friday 27th - Yr10 Work Experience

Tuesday 24th - T20 cricket Lake Cargelligo

Thursday 26th - Saturday 28th Youth Leadership Conference in Sydney

December 2015

Tuesday 1st – Friday 4th Year 8 ASPIRE excursion to Sydney

Wednesday 2nd Sheep Dog Training at Ariah Park

Tuesday 15th - Presentation Night

Wednesday 16th - Last day for Staff and Students

Primary News

Our 3-6 excursion last week was a great success with the students returning safely on Friday afternoon. The students have some great stories from their trip away. Thank you to Miss Pearce, Mr Pic and Miss Ward for their efforts with this excursion. Following in the newsletter is the report from the years 3-6.

Intensive Swimming Scheme will begin next week for all students Kindergarten to year 6. Students will need to bring, swimmers, rashie, hat, sunscreen and a towel every day for 2 weeks.

T20 Cricket will be run in Lake Cargelligo on Tuesday 24th November we are hoping to send a year 3/4 and 5/6 team. A note with details will be handed later in this week.

Don't forget to wear your hat to school, if you don't have a hat there are some hats which can be borrowed from my office. Remember not hat, play in the shade!

Jacqui Dillon Assistant Principal

Secondary News

SECONDARY EXCURSION

Cross Roads

Next week our year 10 students will be travelling to Lake Burrendong to attend a week of Cross Roads through the Lachlan Access Program. I am sure all students will enjoy their time when they meet up with the rest of the students in their year from the other schools. Students will be leaving Tullibigeal Central at 8am on Monday. Please ensure you are here ready to leave by this time.

A new Lachlan Access Program policy has been implemented which will result in student mobile phones being locked in the safe at lights out time every night. As there is limited phone service at the camp anyway this should not be a big issue. The one area that does receive service will be available to students in a supervised manner at certain times of the day. Please find a letter regarding this decision in the newsletter. This letter will also be sent home with each student attending this excursion.

Road Safety Talk

Melanie Suitor, the road safety officer in Parkes, will be at Tullibigeal Central School on the 8th December to talk to our prospective drivers about road safety issues that may occur. This talk is planned to start at 5:30pm and is expected to run for about 2 hours. If you have any issues about this timing please contact the school.

Work Experience

We are hoping to run a work experience week during week 8 of this term, 23rd – 27th November, for our stage 5 students. Some of these students have already got work placements through their TAFE automotive course and I hope they enjoy their week with hands on work in this industry. For those that don't have this opportunity I ask that you start to think about possible options for this week.

Year 8 ASPIRE trip

Week 9, $1^{st} - 4^{th}$ December, will see our year 8 students travel to Sydney to attend the UNSW ASPIRE residential. More information on this to follow.

Positive Behaviour for Learning Competition

A reminder to all students that we are running a PBL competition encouraging students to design a motif for each of our values. These being Respect, Responsibility and Resilience. These designs will be put onto all PBL signs that will be put up around the school. This competition will close this Friday 13th November, with all entries handed to Ms Bell, Mr Hague or myself.

Timothy Small Relieving Head Teacher

Premiers' Debating Challenge

On Friday 6th November students from years 7-10 participated in a virtual excursion to watch the Grand Final of the Premiers' Debating Challenge. We logged in to the debate via our video conferencing equipment at the school. Students got to see the best debaters in NSW debate on the topic that "all weight loss television shows should be banned". The debate was between Sydney Boys High School and Killara High School, with Sydney boys coming out victorious on the day. This was an extremely enriching experience, especially as both stage 4 and 5 classes will be doing debating as an assessment task next year. There was even some mention from students interested in participating in the Debating Challenge next year. Fingers crossed.

LIBRARY NEWS

Reading and sharing library borrowed books can be a very enriching and valuable experience for your child and you. Please remind your child to return books as we only have a few weeks left to borrow. Students keep borrowing, keep smiling and enjoy.

Joclyn Newham

OUR NEXT MEETING WILL BE Tuesday 10th NOVEMBER 2015 5.30 pm

All are encouraged to attend as this will be our last P&C meeting for the year. It will be held at the Mayfield Hotel followed by Chinese.

Membership for the P & C was set at \$5 per person. This allows you to move motions at meetings as well as vote. If you don't become a member, you may still attend our meetings. We would like to see more people attend meetings and be more involved in the Tullibigeal P&C, if you have any suggestions, please contact any of the committee

CADBURY CHOCOLATE FUNDRAISER

For AG Show Team and Years 3-6 Excursion to Canberra. Chocolates are available at school for \$1.00 each.

<u>3 – 6 Canberra Excursion</u>

<u>Day 1</u>

It was still dark as we approached the school; it was going to be a long but exciting day. We saw our big coach come around the corner, WOW! It was a huge bus for 16 students. We put our bags on and were ready to take off. It wasn't long in and we stopped at McDonalds.

Then it was movie and naptime just before we made it to the National Capital Exhibition Centre, ready to learn about the planning of our nation's capital.

Next stop was Parliament House where we became politicians and debated a very important issue. We then took a tour around the Senate and House of Representatives, focusing on the history, role and function of Federal Parliament.

The higher we went the cooler it got, the cold wind rushed across our facers as some dared to step to the edge, while others sat quietly and clutched to the wall. We got Goosebumps while Miss Pearce tried to get a group snap. We all stepped into the lift trying to fit and luckily we all got down safely. Black Mountain was the perfect way to finish off a long day.

<u>Day 2</u>

Knock knock!! We all heard continuously ughh, it's time to get up. We slowly dressed ourselves like a mob of snails, "Hurry up its time for breakfast" the teachers yelled. Very slowly walking out of our room like zombies we started to get excited for another big day.

The look on Mr Pics face was unforgettable, as the emu pecked the piece of fruit off his head.

Its eyes were bulging and it was ready to get personal. As we were feeding the emu we could see a

tiger pacing up and down the fence, she thought it was her feeding time too and was ready for some meat. We saw, patted and fed all different types of animals, if only the snow leopards could have shown their faces.

Back on the bus and we were ready to make some big dollars. We walked up the stairs consisting of..... A lady was sitting at a machine very closely inspecting a coin under her magnifying glass. In the next room was a robot looking machine showing off in front of us. This room was very interesting and we wanted to bring home a few drums of gold

> Education & Communities

own \$1 coin.

10 November 2015

After the Royal Australian Mint it was off to see some Australian Soldiers at the War Memorial and listen to them talk, watch a video and take a guided tour. We learnt about Australia's involvement in war by exploring displays. We were very lucky to be there for the daily delivery of the Last Post, two of our students got to lay a wreath during the ceremony.

We threw down our dinner quickly and it was time for our first night activity. Toot toot, we were off moving around to different countries. In front of us were amazing buildings showing history, culture and heritage of Great Britain and other countries. We raced our own train around the track and found some wildlife. What a way to finish our second day.

November 9th, 2015

RE: Crossroads Camp & Telecommunications Devices

To Whom It May Concern,

At the recent LAP Management Meeting a decision was made about the use of Mobile Phones on the Crossroads Camp. Currently there is limited mobile phone service at the Centre. The area that has service will be available to students each night in a supervised manner.

Following a number of other excursions across each of the LAP Schools. The LAP Management Group has decided that all telecommunications devices will be collected at "lights out". Students will be asked to turn off their devices and place it in a labeled bag and it will be locked in safe overnight. Phones will be returned to students before breakfast the following morning.

Should you have any concerns about this please contact either myself on 68952333 or Mark Simmons – LCCS, Timothy Small TCS, Sarah Norton – CHS or Dinesh Dodhy – UCS.

Yours sincerely
