Principal's Report

It's easy to feel enthusiastic about life and schooling here in Tullibigeal.

2015 Swimming Carnival

Farrer

Macarthur

I'm sure other writers will focus on this but the Swimming Carnival was a roaring success. The fact that 96% of students attended and 92% of the school swam in the carnival is notable in itself. Very few schools in the state could boast these numbers. The spirit of the carnival was fantastic, students behaved well and the whole day was a joy.

Special thanks should go to all of the parents who showed up and supported their children, cooked BBQ, took photos, helped judge the war cry and just made the day special.

Many children gained the courage to participate thanks to our man on the spot, Michael Fyfe who was in the water most of the day helping weaker swimmers take the plunge. What an effort! Hats off to you sir!

It's good to see students settling into their schooling for 2015 and I would like to take this opportunity to encourage their efforts and endorse that they should give of their best and arrive to class in a timely manner.

Can I also ask that visitors take the time to sign in and make sure the front office ladies know they are there. Under no circumstances should younger visitors go and hang out for 20 minutes in a classroom.

Tomorrow is Friday the thirteenth and we are having a hat parade on assembly. Oddly enough March contains a "Black Friday" also. You might like to think with your children, What is the probability of a Black Friday in any month?

Hoping you enjoyed the light show in the sky last night and the smattering of rain...

If you have any concerns or queries please contact me at the school to discuss.

**Until next week.....

Youth Centre

Tullibigeal

10-Feb-15

Term 1

This Friday, 13th February the Youth rooms will be open to EVERYONE. I am hoping that this week I will get an opportunity to speak with all parents and children interested in attending the Youth Centre in 2015. I really would like to see children between 10 and 17 years of age with their parent/s attend so that we can discuss ideas, activities and preferred times. This Friday will be used as a meeting night. The younger children will be creating pictures for the wall, Maleficent will be showing on the television and the X-Box will be available. Anyone wishing to bring iPhones, iPads or tablets please feel free to do so, it will be a great opportunity to discuss different apps available for them.

Currently the Youth Centre is open from 5-7pm every Friday fortnightly for children aged between 5 and 17. Depending on the attendance and interest in the Youth Centre the age groups, times, day and activities offered may change. No-one is required to stay for the whole time that the centre is open. 5 minute visits are more than welcome. If you are unable to attend on Friday but are still wanting to know what is happening and wish to voice your opinion please call me.

The object of having Friday as a meeting night is to let the children have a voice in what they would like to see available. In an effort to cater for everyone I am hoping to have two age groups running fortnightly however numbers must be substantial enough for this to work and opinions and approval is required.

Please let me know if they are interested in being a volunteer at the centre, as your help is greatly appreciated.

Thank You,

Sharon
