WESTERN REGION DOBSON RELAY WINNERS

Who will now be heading off to Sydney for the State competition later this month.

Congratulation & Good luck!

Year 6/7 transition: for the overwhelming majority of Year 6 parents there is nothing to do. If however, you are a parent of a Year 6 student who is intending to do secondary in another school, you should grab an information booklet from me as soon as possible.

Technology upgrading. A group of blokes were in the school yesterday and today, relocating a server so that it is adjacent to the other server it is meant to be next to. It is hoped that this work will make the system more robust and improve accessibility and connectivity for all users.

Friday 13th Again we have a Black Friday this month and so kids have another chance to show their creativity by making a hat for the hat parade. This is a promise to fulfil on the prizes for last month's winners, who are patiently looking forward to receiving their prize.

Speaking of prizes, we are running an incentive raffle to improve Positive Behaviour for Learning. Teachers give a raffle ticket to students when they exhibit positive behaviour. Every Friday the winners are drawn out for the individual prizes and for the group feed. This is a great way to have a bit of fun rewarding positive behaviour and gives everyone a chance.

Snakes can be a problem at our school. It seems unlikely that we will get a visit in what remains of this season but it should be stressed; children don't chase or try to drive the snake away, keep an eye on where it goes, alert the teacher on duty.

Stage 6 assessments are very important of course and many of them are occurring in the last two weeks of this term. All students should ensure they are organised about when their assessments happen and what they need to do to be prepared. They should try to get the best information they can about what the assessment involves and what to specifically study. They should do their best to demonstrate self-belief by allocating time and following through on their planned study.

Student attendance at TCS is generally fantastic. Attendance is a strong indication of engagement and success at school. Employers are often interested in students' attendance patterns and feel pleased when a prospective employee has a great record of attendance. Attendance levels are not mandated. However, a guide of 85% attendance is often used as a benchmark.

Lockdown and Evacuation Drill. We hope to have a drill for these events later this term. It is essential we know where everyone is, so it is vital that students who go home for lunch remember to sign out

Melanie Sutor Road Safety Officer

Melanie is the Road Safety Officer with Parkes, Lachlan and Forbes Council. She provides workshops for free for parents of learner drivers. They are about what has changed how we fill in the logbook and how to teach driving to young people and takes around 90 mins.

Please indicate your interest in attending by phoning the school and leave a message with Jan or Mandy. The workshop will be negotiated around the availability of parents. **Learners themselves are most encouraged to attend.**

**Until next week.....

This Wednesday our Year 5/6 boys have the opportunity to try out in the PSSA AFL trials in West Wyalong. These boys will be playing with other students from around the district and trying out for a position on the Western Region team who will compete later in the year. Good luck boys!

This Friday will be 'Ride Safely to School Day' where we are encouraging all students to ride their bike safely to school or to walk. We will be asking all buses to drop students down at the park where we will meet to walk or ride to school.

Just a reminder that all students should come to school with a hat and a water bottles as the weather is quite hot, could you please make sure your child comes to school well prepared.

Secondary News

School SRC

Thank you to Ms Goldthorpe who has organised for Tullibigeal Central students to attend the School Representative Council district meeting in Trangie today. Students will have the opportunity to meet other School Representatives to discuss how they are running the SRC in their school. It is hoped the students will return with an array of methods they can better promote the SRC within the school community.

Assessment Tasks

A reminder to students that assessments need to be completed during regular study time outside of school time. It is important for students to learn the benefits of self-management now in preparation for HSC study, Tertiary study or Vocational Training and work. A reminder that assessments need to be handed in to the **head teacher's office by 9am on the Tuesday** of the week they are due. These assessments need to have a **cover sheet attached** when they are handed in.

HSC Half Yearly Exams

A reminder to our HSC girls their half yearly exams are quickly approaching in 2 weeks' time. Students should be completing regular study in their own time to increase their ability to excel in their HSC year. Developing a healthy study pattern now will help them succeed in the rest of their HSC year and in whatever path they decide to choose after schooling has finished.

China Trip

A reminder to those in Year 9 and 10 that we have been given the opportunity to join Condobolin High School and Lake Cargelligo Central on their highly enjoyable cultural experience of China. Students will travel to China in the October school holidays of 2016.

There will be an information evening held at Condobolin High School tonight the 10th of March starting at 6:30pm. There will also be an information evening held at Lake Cargelligo Central School tomorrow night 11th of March starting at 6:30pm. If any student is interested in going to China I highly recommend they attend an information evening.
