## Principal's Report

**Launch of the PATHS website.** The *Aspire* people from University of New South Wales have launched their new website to encourage the development of academic behaviours. It is rather a coup for our school to have hosted the launch. As the newcomer I would just like to thank the community members who showed up and pay special tribute in particular to Tim Small and Jacqui Dillon who have encouraged and promoted our school's participation over the years with Kate McGown. Thanks also to the staff and students from Condobolin HS and Ungarie who attended.

**Work Experience.** Happy days... to our brave stage 5 students who are all at work experience this week. I trust they are enjoying themselves and learning heaps. We hope to have a teacher visit them or at least make phone contact to ensure things are going well. If I could remind the students themselves; keep safe and be as enthusiastic as you can.

**We are still sailing... maybe.** Still only 1 starter, but there's time yet. Year 9 to 11 students invited.

**Recorder Group** had a successful week away at camp in Wagga. The girls spoke of their experiences today on assembly and gave a good account of themselves. It is excellent to see this enrichment successfully accomplished and a big round of thanks is owed to Joclyn Newham for her efforts and organisation, getting the girls to camp. A huge well done to the girls themselves.

**Lost Uniforms:** It is a bit of a shame to see items of uniform lying around the playground. If you are able to get a permanent marker and write your child's name on their uniform that helps of course. A sensible idea is for all students to put their jumper or jacket in their bag as they take it off.

**Guess the Girth:** Our beaut Queensland Bottle Tree is pictured below. To my eye it has gotten fatter since I first saw it last December. The question is to guess its girth. No measuring please. Answer next week. Undisclosed prize to the closest guesser.

**GOOD LUCK TO OUR ARTISTS.** This weekend is the Lake Cargelligo Art Show. Our industrious and inspiring art teacher Mrs Hayward has entered nearly all our students in this competition. The rumour in the wind is that they may have some luck since their art is so good. Best of luck to all.

**Until next week.....

Principal**

## SECONDARY NEWS

### Promoting Attainment & Thinking Skills

Thank you to Kate McGown and the University of New South Wales for the excellent launch of the Promoting Attainment & Thinking Skills program held yesterday at Tullibigeal Central School. Thank you also to those members of the community that were able to attend the launch and see the students using the new website for the first time. This program will be hopefully lead to improved student learning with the development of Resilience, Resourcefulness, and Reflection in their learning.

### Well Done

I would like to congratulate Amity Loxley on a job well done in learning a new skill. Year 6 get to spend on period a week in secondary technology classes and Amity chose to learn the difficult task of soldering electronic components to make a speaker system. Well done Amity.

### Work Experience

All our stage 5 students are away on work experience this week. This week should help students find future career paths and therefore clearer understanding of their study needs. Good luck to all these students and I am sure you will represent Tullibigeal Central with pride.

A big thank you to Mandy for all her organisation of work experience places.

### HSC Study Days

Our three year 12 student will be heading to Dubbo with Mr West to attend the HSC study days provided by Charles Sturt University. These study days will provide the girls with greater insight into improving their marks for their HSC.

### Positive Behaviour for Learning

A reminder to all students about our three Positive Behaviour for Learning values of Respect, Responsibility and Resilience.

Respect incorporates actions such as communicating politely to one another and looking after property whether it be yours or another person's.

Responsibility includes things such as being a proud school member (which I am sure all our stage 5 students are doing this week) and being in the right place at the right time, a big focus for this week. This means that you are in class on time and ready to learn.

Resilience is things such as believing in yourself, displaying an attitude ready to learn and celebrating the success again whether that be your own or another person's success. We all know how good it is to be successful so let's congratulate others when they achieve something positive.

# ART NEWS

## Junk Art

Next Wednesday (10th June), Years 3-6 will be creating Junk Art Animal Sculptures from recyclable materials. We would greatly appreciate if over the next week, you could save any of your recyclable rubbish and drop it onto the front office for us to use. We would like any plastic and cardboard packaging eg. egg cartons, washed out milk cartons, cordial, juice and soft drink bottles, washed out soft drink cans and food cans (if they do not have a sharp edge), tins, tissue boxes/any boxes of all shapes and sizes, strawberry punnets, the cardboard rolls from paper towel and wrapping paper (but no toilet rolls or glass please.) If you have any other bits and pieces that you do not need such as corks, bottle tops and buttons, I'm sure the students will use their imaginations to put these to good use!

## Blue Waters

This semester students' have been working well to produce some lovely artworks each Wednesday. This long weekend, each student from Kinder-Year 8 will have an artwork on display in the Blue Waters art competition at the Lake Cargelligo Hall. If you are in the area over the long weekend, drop in and have a look at the talent of our students.

# TCS Recorder Group went to Borambola

## Monday

At 7.30 in the morning we jumped in the car and drove to Borambola. It was super cold. Every time we got to the road works everybody yelled. When we got out of the car we set up our beds and we went to the recorder audition and then recorder practice. It was really fun. I'm glad Mrs Newham took us to Borambola. It was really, really fun and Fiona taught us the recorder. She taught us 'Simple Gifts', 'La Mounisahe' and 'Pavarelot Batallia'. She is so nice. It was a long drive. It was 3 hours. I got a little sick but I was fine. It was fun at dinner. I met people from other schools. They were really nice. At the table we laughed and chatted. It was super fun in our dorms.

By Dakota

## Tuesday

On Tuesday morning it was cold and foggy. Me, Elly, Tahlia, Miranda and Dakota got up at 6.36am and our roommate Isabella woke up just a few minutes later. We got dressed and put our shoes on and then it was breakfast time. We had toast and pancakes and then we had a choice of baked beans or cereal or yogurt. After breakfast we had a recorder practice session. Then it was fruit break. We practiced a bit more after that and then it was lunch. We had spicy chicken and salad wraps. After lunch it was more practice for the Sydney Opera House performance. We then had a turn at archery. Everyone shot 6 arrows at the target and we played games. After that we had a group photo for the front cover of the Borambola CD. Next Dakota, Mrs Newham and I had to go home.

## Wednesday

I woke up at 7.00am. We had yoghurt, hash browns with bacon and eggs. I had a bacon sandwich and apple juice. Then we did a bigger recorder session. We had 5 breaks. Our activity on Wednesday was rock climbing. For tea we had chinese and rice and for dessert we had mousse. That night we had a talent show. Tahlia, Miranda and I did a dance to 'Roar' by Katy Perry and it was fun. After the dance we got some jelly snakes and they were tasty. We were all doing hand stands against the wall and they were incredible. Tahlia thought I was going to fall and I nearly did. Also that night we got a surprise by Sarah the strings tutor. She did a big performance from her world tour, even around Japan. She is really amazing, incredible, enthusiastic and awesome. It was great.

By Elly

### Thursday

On Thursday we got up early and did our thing and when Miranda, Elly and I were getting dressed our roommate was up and ready for breakfast. We had breakfast and we did a recorder lesson. With a couple of breaks and then we had lunch. After lunch we did fencing for our fun activity. Then it was back to recorder and learning more songs. The meals they make there are fabulous because for breakfast we got pancakes and toast and for lunch we had salad burgers with spicy chicken. It was spicy and then we went back to recorder for the rest of the day. At the end of the day we had a delicious feast and when I say delicious, I mean delicious. Oliver gave a speech and then Miranda, Elly and I went to our dorm and got all of our bags ready to go. Then it was supper time. For supper we got chocolate milk and a biscuit. That night we had a good nights sleep, ready for the concert the next day.

By Tahlia

### Friday

On Friday we packed up our beds and put everything in the Rec Hall and had breakfast. Then we did 2 lessons of recorder. Next it was morning break and we went to the Rec Hall. We got ready for the concert. The concert was really long and I almost fell asleep. The Violins sounded great. Much better than the recorders. It was a great week and I liked learning how to play my recorder better.
