Term 3

Week 1

14 July 2015

Truth * Consideration * Service

Principal's Report

Like us on Facebook. Thanks to our likers. What fun! I will be sure to ask Mr West, our IT guru to ensure assignment dates are available there. Photos and short videos will also appear, together with a link to our Youtube channel *Tellitulli*.

Reports. Overall the reaction to reports was positive, which is endorsement for the care of teachers and the hard work and dedication of students. Of course we aim to improve our reports. If you have any feedback, don't be shy to give it. I anticipate some small changes next semester, hopefully representing a more cohesive shared approach.

Careers Day 23 June Our visitors from Condobolin were most impressed with our senior students when they conducted this day. That's a big rap for our Year 9, 10, 11 and 12 students. Well done.

If students want an application for a Tax File Number, I have a swag of forms to hand out.

Internet Survey AKA slow going The office still only has 4 forms returned. Thanks to those prompt people. Can parents please make an effort to complete the form and hand it in.

Another slow going thing is students expressing interest in two days sailing on Sydney Harbour with Mr West. If we can get 4 students from Years 9-11 to put their hands up, as it would be a fantastic excursion.

Athletics Carnival What a great day! Picture perfect Tullibigeal day. Thanks to parents for showing up to support their kids and big thanks to Midge and Chris for showing me the ropes marking out the lanes.

AFL Clinics were fantastic last term. Che Jenkins and his stand in fellow were really good with the students and it is a great thing to see the national game promoted so effectively in schools. We hope to repeat the program again next year. Go the Swans.

Kinder Start Program

This term sees the start of our Kinder Induction Program. This promises to be a great introduction to school for nearly 10 of our local pre-schoolers. I look forward to meeting these children and their parents

Staff Development Day went successfully yesterday. Our focus on assessment and differentiation of curriculum were well received and will add to the effectiveness of staff.

This term we welcome Miss Ward who steps into the gap left by Mrs Hague and Mrs Ford. Mrs Hague is calmly awaiting the birth of her and Mr Hague's second child and Mrs Ford was offered a job in Condobolin, where the travel and childcare arrangements were significantly better. Good luck to all.

Finally I would like to share my enthusiasm for another term at the mighty Tullibigeal ☺

Until next week...
Tom Garvey
Principal

Primary News

Welcome back I hope everyone had a relaxing and enjoyable break.

We will swing straight back into a very busy term. Well done to all our students who participated in the Athletics Carnival last term. Congratulations to all our Age winners and all the 5/6/7 students who participated in the carnival on the day. Congratulations to Macarthur for winning the carnival.

This Thursday our 2016 Kindergarten students will start their transition to school. On Thursday we will be holding a parent meeting at 11am for all parents whose students will be attending school next year. Parents are asked to bring along their child's birth certificate and immunisation certificate to enrol their children.

This term we welcome Miss Kirby Ward who will be working in both the Primary and secondary this semester. Kirby will be with us until the end of the year.

Just a reminder that students need to please have their names on all their jumpers. The weather is very cold and there are a lot of jumpers lost.

Please make sure you all go and like the Tullibigeal Central School Facebook page. This will be where you will find up to date information about our school.

If you have any questions or concerns please contact me at the school at your earliest convenience.

Library News

Congratulations to the following students who won our Term 2 library borrowing competition.

Kindergarten - Jessie and Flynn.

Year 1 - Dylan, Kolby and Sienna. **Year 2** - Emma.

Year 3 - Alyssa. **Year 4** - Lilly. **Year 5** - Teleah. **Year 6** - Amity and Harley

These students received prizes and I would like to encourage all students to borrow and return their library books and bags each week to be in the running to win a prize in Term 3. This term we will also be having spot prizes where a week (or 3??) may be chosen at random and all those who return their books on this day will get a reward. Winning prizes is easy if you borrow and return your books each week. Don't forget to read these books during the week you have them at home. Reading lots and from a variety of sources is a great way to support your learning across all the Key Learning Areas.

The Premiere's Reading Challenge will continue until August. We have finished working on the PRC in class but all students are encouraged to continue logging their books onto the online reading log using their DET login and password. Those students who log the required number of books by August will complete the challenge and will receive an award and small prize.

BOOK WEEK CELEBRATIONS FOR ALL STUDENTS K - 12.

Parents, family and community members are invited to join us from 9am for activities based on Children's Book Council of Australia Short Listed books. Our Book Fair starts at 1pm with a Sausage Sizzle lunch. At 2pm will be our Book Week Book Character Parade and mini Performance.

FREE COUNSELLING

CAPA RURAL OUTREACH PROGRAM

C R O P

A caring voice in troubled times

- Are you having financial, work-related, health, relationship, parenting, or other problems?
- Do you live in an area with no access to regular support?
- Are you isolated or struggling to cope with grief or loss?
- Do you feel victimised, anxious or depressed?

If you answered YES to the above, then CROP volunteer Counsellors are available to financially disadvantaged and geographically isolated communities.

What we offer:

- Ongoing counselling sessions at a mutually convenient time via telephone, landline, mobile or Skype with the same Counsellor.
- Free to anyone over 18 years of age in rural and remote areas
- Tertiary qualified and accredited counsellors and members of CAPA (NSW)
- Confidentiality, care, sensitivity, and support.

GP REFERRAL IS NOT REQUIRED

Contact CAPA (NSW) on (02) 9235 1500

Or email:

regional@capa.asn.au

(CROP enquiry in the subject line)

www.capansw.org.au/therapy/crop-counsellors

CROP is a free telephone or Skype counselling service offering weekly, fortnightly or monthly counselling sessions with a fully trained and accredited Counsellor volunteering their time and expertise to any person over the age of 18.

Professional counsellors work within a clearly contracted, principled therapeutic relationship that enables men, women, couples and families to explore issues of a personal or interpersonal nature.

While counselling may require some initial courage and a commitment of time, there is much evidence that supports its value in helping to clarify issues, consider options, develop strategies, increase self-awareness and confidence. Counselling facilitates healing and a more authentic life.

CROP is an initiative of the CAPA (NSW) Regional & Rural Committee in response to the NSW rural crisis. No Government funding has been sought for the management of CROP. Sponsors and donations are welcome.
