## Principal's Report

**Mathletics** This is a great source of support for students studying mathematics. Every student at TCS is entered on the system. Every student has a log-in and password. The website is [mathletics.com.au](http://mathletics.com.au). Students are free to use it at home or at school. They can go on as often as they like. They can compete against other students throughout the world in timed competitions or they can use the website to re-enforce skills in particular topics.

Also on the subject of **internet access**; we have been seeking feedback from families about the sort of internet access they enjoy at home. So far only 5 responses have been received. It would be most useful if families would use the survey sheet included in the newsletter and ask their oldest child to return it to school.

Our **Kinder Transition Program** continues to be a marvellous success on Thursdays.

TCS's 5 **recorder girls** acquitted themselves marvellously last week. I would encourage them to continue to explore music and cherish the learning they achieved through hard work. Thanks once again to Joclyn Newham for managing this excursion.

**Trial Higher School Certificate** is running this week and next. We wish Dannielle, Kelsie and Michaella the best for these assessments.

The **Lachlan Access Program**' graduation is happening on 3 September and Tullibigeal is hosting that event. 17 September marks our local HSC graduation celebration.

**Assessment reminder** for stage 4 and stage 5 Science students that their assessment falls due next Tuesday.

I would encourage students to submit early and receive feedback so they can use that feedback to improve their final product. Our **school website** supplies details of the secondary assessment schedules.

**Road Safety** is a vital concept in our part of the world. Today the Year10 students are on their way to an entertaining and informative experience at Lake Cargelligo called the *Mock Crash* talks. We all hope they have an enjoyable time and take away the big message about the essential nature of thinking safety as they become road users.

**Show Team** are having their first experience at the Tullamore Show this weekend and I wish Ms Goldthorpe and the team all the best

Until next week...  
Tom Garvey  
Principal

### Road Safety Mock Crash

Today our Year 10 students will go to Lake Cargelligo to participate in the pre-lessons for the road safety program. The students will then travel to Parkes on the 20<sup>th</sup> August to take part in the mock crash held by the Parkes PCYC. This program provides students with important information about road statistics and staying safe as a road user.

### HSC Trial Exams

Good Luck to our Year 12 girls who have started their HSC trial exams this week. They will run for 2 weeks. I am sure all their hard work will pay off. This is the last formal piece of assessment for our Year 12 students.

## Library News

Some students have library books at home. Unfortunately students cannot borrow unless previously borrowed books are returned. Please find and return any missing library books. We have a great competition running again this term to encourage students to borrow and read. Winners will receive a prize and a certificate. Remind your children to return their library bags every Monday. The Premier's Reading Challenge is coming to an end. Students must have all their books logged onto their online Reading Record by 21<sup>st</sup> August to complete the challenge. Please see Mrs Newham or Hannah if you need any help to do this. All those students who complete this challenge will receive a certificate and a prize. Have fun and keep reading!!

Joclyn Newham

OMG! Her eyes were open so wide,  
her face was as white as a ghost and  
you could have fitted a pumpkin in  
her mouth, Miss Pearce was so  
incredibly scared.....

I was laid back on the chair with  
my mouth wide open and eyes  
shut tight, the drill was coming  
for my mouth it was a horrible  
sound and I could taste the  
blood already.....

We drove through a massive  
gate, I couldn't see through the  
crowd of people when mum ran  
off to get the tickets.....

I caught the  
football in two  
hands and went  
to run for the try  
line, all of a  
sudden the ball  
started to grow.....

## Years 3 & 4 Sizzling Starts

The elegant  
fashion  
model  
strutted her  
stuff when  
all of a  
sudden  
there was a  
stinky  
problem.....

I woke up and walked into the  
bathroom, ARRRGGGHHH what  
has happened to my teeth? I  
looked worse than Bugs Bunny  
and wait oh no!!! It was the  
most important day of school,  
how was I going to look good  
for my school photo?.....

Miss Pearce was shaking like  
a babies rattle, some  
students jumped up on their  
chairs and Blake was out the  
window, today wasn't going  
to be a normal day.....

We are enjoying being involved in the 7 Steps to Success writing  
program. We have been working hard on sizzling starts, planning  
our writing and banning the boring parts.

# 2015 Festival of Music at the Sydney Opera House

On Monday morning before the Sydney Opera House rehearsal we went to the Aquarium. It was really exciting. We got to see heaps of things like dugongs and sharks and much more. We went through some activities like the Octounouts colouring where the picture you coloured in went swimming on the wall using a special computer program. Also we enjoyed the hands on sea experience where we touched sea cucumbers, shark eggs and star fish. Walking through the clear undersea tunnels where we could see fish, sharks, dugongs and sting rays was amazing. A huge thank you to everyone who helped us raise money to attend this awesome excursion.

By Lilly

Thank you to all the parents that came on this exciting excursion and also a massive thanks to Mrs Newham. On Sunday morning we all got up early to wait for the bus and I thought I was going to be the first one there BUT....Lilly got there first. On the bus we got to Cootamundra in time for an excellent lunch at a club. We got on the train and it was exhausting. The train trip was for 5 hours! Monday was a busy and great day because we got to go to the Sydney Aquarium and we got to see lots of amazing sea life. My favourite was seeing Nemo, Dory and Marlin. I most enjoyed the ferry ride from Darling Harbour to Circular Quay because we got to see Luna Park and go under the Harbour Bridge. I also think Starbucks caramel hot chocolate was the best!!! The performance was amazing and exciting. For those who want to do recorder next year, good luck and I'm sure you will have a wonderful time, that's a promise!!!!

By Tahlia

On Monday night we all went to the Sydney Opera House for the concert. We all played AWESOME!!!!!!!. When we finished Mrs Newham bought us an ice cream each as a reward for all our practice and for our amazing performance during the concert. Then we went back to the motel and all had a good night SLEEP!!!!!! The train trip home took a long time but it was nice to hang out with lots of fun people.

By Miranda

My Fun moments by Dakota.

The conductor dropped the baton during the rehearsal.

We sat next to a man on the cool ferry ride who was going to the same concert as us that night.

Mel did my hair really pretty for the concert.

The Aquarium and all the beautiful sea creatures.

Lilly kept eating and making us laugh.

Elly wearing her jumper inside out and back to front during the concert.

Lizzy telling silly 'dad' jokes.

Meeting our new friend Jemma on the trip home.

So Miranda, Tahlia, Dakota, Lilly and I went to Sydney on Sunday morning. The bus picked us up at 9:30 and arrived at Cootamundra at 12:15. We went to have lunch. I had a lift and a schnitzel with chips and gravy. It was delicious and then mum and Mel ran to the supermarket to get ice creams. We went back to the train station and that is when it got boring. We were on the train for 6 hours, I know right!! We finally got to Sydney. We went to the motel. We only had 5 minutes to put all our stuff down and then we went for dinner and that is a whole other story. We went to an Italian restaurant.

The next day when we woke up we had breakfast at the motel and then we went down to Darling Harbour. I had a hot chocolate and then went to the Aquarium. We saw over 10000000 fish and we then had lunch. After lunch we caught the ferry to the Opera House for a rehearsal. We went back to the motel. I want to say a big thanks to Mel, hip hip and Mrs Newham, hip hip. They did everyone's hair but mine. My mum did mine, thanks Kel, hip hip.

Then it happened! There were 700 kids playing the recorder at the Concert. I was so so relieved that it was over. Thanks Liz who was the Tulli mascot, hip hip. In the morning we had to get out of the motel by 6:15am to catch the train to the big train station and the proper train. Of course Mrs Newham had us lost us again. On the train we ran into a lady named Jemma and she is a fantastic new friend coming to stay in Tullibigal for a little while. We finely got to the Cootamundra train station. Now we are on the bus but nearly home, luckily. By Elly

Our excursion to Sydney to participate in the Festival of Music at the Opera House was amazing. The girls were wonderful and I was extremely proud of them. Not only were they awesome recorder players but their behaviour was beautiful and they really made the most of our short little trip to Sydney. Thank you girls for such a wonderful excursion and I hope you treasure the memories of this experience always. Thank you for my lovely flowers, it was my pleasure accompanying the girls and flowers were not necessary but much appreciated.

A huge thank you to Liz, Terry, Kelly and Mel for coming with us. Your help and support really made the excursion even more fantastic. By Mrs Newham
