Term 3

Week 6

18 August 2015

Truth * Consideration * Service

Principal's Report

Trial Higher School Certificate is running this week and next. We wish Dannielle, Kelsie and Michaela the best for these assessments.

The **Lachlan access Program** is holding a planning meeting here at TCS today. This successful program continues to provide variety in accessing subjects for our senior students.

Assessment success for stage 4 and stage 5 Science students. Nearly all students have submitted their Science Assessment piece on Energy. It is hoped that the quality will also represent something like each student's best effort. Secondary Assessments always fall due on a Tuesday. Our **school website** supplies details of the secondary assessment schedules.

Road Safety is a vital concept in our part of the world, particularly since distances can be so demanding. On Thursday, our Year 10's attend more *Mock Crash* talks at Parkes. We all hope they have an enjoyable time and take away the big message about the essential nature of thinking safety as they become road users

Show Team had their first experience at the Tullamore Show on Saturday. The students all acquitted themselves well. The students won two ribbons for judging the cattle. Riley Glasgow got a third in the under 12 novices and Finlay Kenzie won the Over 12 novices. Not bad for two students at their first show. The cooperation and help we received from Condo High School was absolutely fantastic.

Mr Ward drove the bus out there, taking our kids from Condo to Tullamore. Mrs Hughes allowed our kids to parade Condo's cattle, giving them valuable experience before Bubba's debut at Bedgerabong next weekend. I also want to pay special tribute to Ashley Goldthorpe who continues to inspire children to participate and enjoy these valuable opportunities.

After hours **Staff Development**. Staff have agreed to be part of a resilience training on 2 October, which is in the school holidays. They will also do additional training after the staff meeting next Monday and on another afternoon in term 4. Both aspects, developing writing skills and promoting resilience are invaluable to our kids.

Until next week...
Tom Garvey
Principal

Primary News

Congratulations to our Show Team who competed at the Tullamore show on the weekend. Well done to Riley Glasgow who received a 3rd and a highly commended. Thank you to Miss Goldthorpe for organising this event.

This week Miss Pearce and myself will begin our learning planning meetings with parents of student in Kindergarten to Year 6 this will be a time where students will be able to show their work and talk about their goals for the remainder of the year and what support can be given at home.

Also Year 3-6 students have started to fundraise for the excursion in term 4. Students will be selling chocolates, please support our excursion by buying chocolates

Mathletic logons will be sent home with students this week. This program can be utilised at home to consolidate learning which is happening in the classroom. Please take some time to have a look at this program.

On the 10th September, Kindergarten to Year 2 with the transition students, will be heading to Altina Wildlife Park for their excursion. A note went home on Tuesday. Could these please be returned asap.

Finally congratulations to the Under 13's and 16's TARFNC netball teams who have been successful in reaching the Grand Final this weekend. Good luck to all students who will be competing, and a special mention to Tayah Glasgow who took out the Best and Fairest for the Under 13's netball in the Northern Riverina League. Well done Tayah!

If you have any questions or concerns please contact me at the school at your earliest convenience.

Jacqui Dillon
Assistant Principal

Secondary News

Show Team

Congratulations to the four students that competed at Tullamore Show as part of the Tullibigeal Central School Show team. All students achieved great results. Please find the report later in the newsletter for all results.

HSC Trials

Congratulations to our HSC girls who have nearly completed their last assessments for their schooling, their HSC trials. Not long now until the real thing. Lots of study in the coming weeks should get you over the line.

Secondary Assessments

Thank you to secondary who have all handed in their science assessment this week. A quick look at the assessments shows some high quality work being completed. Remember the assessment hand in dates are available on the Tullibigeal Central website.

Stage 5 next assessments:

- PDHPE Week 8
- English Week 8
- Agriculture Week

Stage 4 next assessments:

- English Week 7
- PDHPE Week 7

Stage 5 Subject Selection

A reminder to the current Year 8 students that you have had your subject selection booklets for a week now and you should be thinking about what you wish to do next year. If your initial selections can be back this week that would be good.

Relieving Head Teacher

Library News

BOOK FAIR

Thank you to those people who donated books to our School Library at the Book Fair.

Bob & Vicki Cross

Rhonda Tyack

Rod & Deidre Fyfe & Family

Luke & Kelly Tyack & Family

Chris & Leanne Frankel & Family

Max & Chris Leadbitter

Jacqui & Barry Dillon & Family

Mandy & Troy Glasgow & Family

Your donations were very much appreciated.

Money raised from the Book Fair was \$383.85

This money will go towards new books for the Library.

The students are still enjoying completing activities based on the Australian Book Council Short Listed books during library lessons. It is really important that the students bring their library bags and books every Monday. We need everyone to have a big look at home for any missing library books. Students cannot borrow unless they return previously borrowed books.

The Premiere's Reading Challenge concludes on **21 August 2015**. Ensure you log all your books onto your online reading log before then. Please let Miss Hannah or Mrs Newham if you have logged enough books and completed the challenge so your application can be validated.

Keep borrowing and keep reading

Thank you Joclyn Newham

Michaella Riley	22 Aug

Hope you all have/had a
great day

TULLAMORE SHOW – TCS SHOW TEAM

On Saturday 4 students from the TCS show team joined with Condobolin High School's Show team to compete in Tullamore Show's cattle showing competition. Blair Barnes, Riley Glasgow, Finlay Kenzie and Brock Mulligan all competed in parading, walking animals they were unfamiliar with (due to Bubba still being a bit too wild!). They were commended on their efforts by the judge with Riley and Blair getting 'highly commended' ribbons. Junior Judging was another competition where students got the opportunity to step into the judges' shoes. They are expected to analyse and grade 4 steers or heifers that are of similar age and then explain to the crowd why they judged them that way. Riley received 3rd place for his judging in novices U12's and Finlay received 1st place for her judging in novices junior judging.

Congratulations to all students, your behaviour and effort on the day was outstanding. This coming weekend is Bedgerabong on the 22nd August where we hope to take Bubba for his debut show!

Just a reminder that students in show team cannot handle animals without appropriate footwear - work boots are preferred. If they could bring an old shirt/some old clothes when washing would also help in keeping their uniforms clean.

Jessie Tyack	<i>ITunes voucher for 10 merit awards</i>
Flynn Helyar	<i>Excellent effort with his home reading</i>
Archie Trugett	<i>50 nights of home reading</i>
Ricky Murray-Wright	<i>Demonstrating resilience in Science</i>

DRUMMING & GUITAR PROGRAM

Last term we began a drumming program. The idea behind the program is to engage students in an extracurricular activity, and increase engagement in classroom activities in the process. The school has been a great supporter of this program, and we have purchased a brand new drum kit to help get more students involved. There has been a high level of interest in this program, and there are currently 13 students who are learning to play. There is also plenty of natural talent and rhythm to go along with the enthusiasm, with all students picking up the beats quickly. We hope to combine this program with Mrs Hayward's guitar lessons to eventually create a school band. I'd like to thank all students involved for their effort and energy, and I look forward to making some more noise through the rest of the year.

50 Year Woolclassers

Doug and Bill Worland, Lake Cargelligo/Tullibigeal NSW

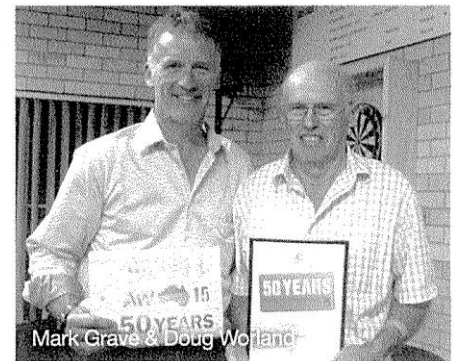

This year Doug reached the 50 year milestone as a Registered Woolclasser. Doug grew up on the family farm "Bingarra" at Tullibigeal with his older brother Bill. He completed his schooling at Yanco Agricultural College in 1956 and returned to the family farm where he started doing the woolclassing course at the Tullibigeal Community Hall in 1957. The course was one day a week for three years and was conducted by instructor Peter Baker from the West Wyalong Technical College. Following the course, Doug classed in shearing sheds having to submit three wool clips, two Merino and one crossbred for inspection by wool brokers. After gaining three brokers' references supporting his classing expertise, he then obtained his Woolclassing Certificate.

Doug worked locally classing about five or six sheds per year; and more recently, his classing has principally been associated with the family farm operations. In his early days, he clearly remembers a tough time at one shed where, with two shearers doing in excess of two hundred sheep per day, he ran the entire shed picking up, skirting and rolling, classing,

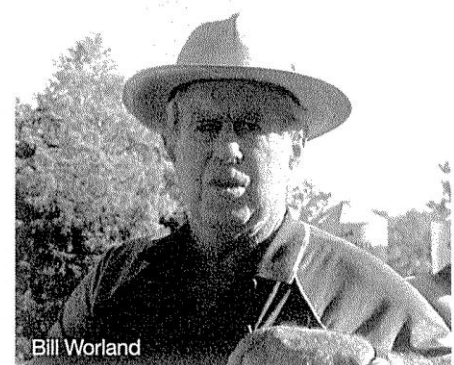

pressing and penning up. Doug now runs a farming operation "Warrigal Park" with his sons at Burgooney and operates in a family partnership with his older brother Bill.

Bill achieved the 50 year registered Woolclasser milestone in 2014. After attending Yanco Agricultural College from 1948-1950 he returned to the family farm "Bingarra" at Tullibigeal. Bill began his woolclassing course at the Tullibigeal Community Hall in 1956 and, after gaining his Woolclassing Certificate, he worked for shearing contractor Fred Dunn from Lake Cargelligo. In those early years, after sowing the crop at home, he would go off woolclassing in the Cobar, Hay, Booligal and Hillston regions before returning home for fallowing and harvesting. In later years he continued to class locally.

Bill is passionate about Merino sheep breeding and in 1996 was pro-active in setting up the continuously running Lake Cargelligo Show Society Maiden Ewe Competition. In 2001 he was awarded the Centenary Medal for his contribution to the wool industry. Bill still operates in the family partnership with Doug and said he has made a lot of friends in the wool industry and thoroughly enjoys the experience.

Mark Graves & Doug Worland

Bill Worland
