Week 8

1 September 2015

Truth * Consideration * Service

Principal's Report

SASS Recognition Week. All week we are celebrating the fantastic support provided to students learning and life by our hard working ancillary staff. Mandy Glasgow, Jan Ridley, Michael Fyfe, Chris Grintell and Hannah Frankel all do fantastic work. Tullibigeal Central School is blessed to have such talented and hardworking ancillary staff. If you are available around 11am on Wednesday, please join us for our morning tea.

LAP Graduation Ceremony. Tullibigeal is hosting the Lachlan Access Program Graduation Ceremony in the hall on Thursday evening. It should be a great night and is fitting celebration of the success of these HSC students. I hope our girls and the other LAP students have a great time.

Dog Training. I attended Ungarie school last week with Brant and Joel and was most impressed with our boys and the two Ungarie kids who are also involved. Mr Dunn's expertise was evident as he helped the boys put Cash and Junior through their paces.

We still remain on the lookout for a Collie, Kelpie or Koolie pup for the third boy who is interested. Please contact the school if you can help.

ET4L Migration is taking place in the first part of this week. We are confident this improvement will improve internet access and general computer function at the school.

FOOTY COLOURS DAY AND PHOTO DAY. Monday 7 September is a mufti day. Students are asked to show their team colours and wear the jersey of their favourite team. A gold Coin donation will raise money on that day for **Fight Cancer Foundation**. A sausage sizzle will be available on the day for \$2 each

Tuesday 8 September is our School Photo Day so the mufti day on Monday, gives everyone the chance to wash and dry their uniform beautifully.

Staff Training in the Holidays. Friday October 2 is a training day for teaching staff. I wish to thank staff in advance for their commitment in attending on this day. We will do training on resilience and expect to be able to better convey this value to the students.

Spring has sprung the grass is risen. Today is the first day of spring. Together with spring cleaning, a watchful eye for nits is apparently in order. Please take the time to check your child's hair. KP24 is everyone's favourite shampoo.

Our Values. We do hope to help students embrace positive values which should help them in their schooling and in their lives. High on our list for resilience, is the Growth Mindset. We really enjoy when students see that their talents are not fixed but instead that their capacities can grow through hard work. We are hopeful that our community will help us convey that message and praise their children's hard work.

Until next week...
Tom Garvey
Principal

Primary News

Thank you to all the parents who have completed their Learning Planning Meetings. Both myself and Miss Pearce have found these to be beneficial, and we will hope to complete the remainder of these meetings within the next week.

This week we will begin our 3 week intensive NRL program starting today. Over the next 3 Tuesdays we will have a development officer visiting the school to run short lessons with both classes in the primary school.

This weekend the Lake Cargelligo Show will be on and I urge all parents to go and have a look at the display Mrs Hayward and Miss Hannah have created. We also have students handwriting entered as well as our Show Team involved in the parading and junior judging with 'Bubba'.

Next Tuesday 8th September, 2015 will be School Photos. students are to wear full school uniform (winter) and to make sure they have a clean uniform.

Next Monday 7th Sept, the SRC will be running Footy Colours Day to raise money for Fight Cancer Foundation. All students are encouraged to wear their favourite footy colour and make a gold coin donation to the SRC. The SRC will also be holding a sausage sizzle lunch with the sausages costing \$2.00 each.

Well done to the 3-6 class who were the winners of the free lunch for the school raffle and they will be having their lunch this Thursday of hotdogs. If your child does not wish to have a hotdog please send their lunch.

Years 3 to 6 are looking for some old newspaper to be used in the classroom if you have any that you could donate to the school they would be greatly appreciated.

Finally I would like to wish all the Fathers a very Happy Father Day. I hope you all have an enjoyable and restful day.

If you have any questions or concerns please contact me at the school at your earliest convenience.

Assistant Principal

The Seven Steps to Writing Success is up and running in our school and is proving to be a very fun and engaging teaching tool for students and teachers. Some of our Year One and Two students have been working on this program and here are some great samples of work with a focus on villains.

Big Bat Steals The Gold

Once upon a time there was a pirate and his sidekick Copycat plus a dog and a cat. They buried some diamonds under the soil. Then a big bat came along and found the diamonds and dug them up. He hid them under his wing. The pirate and his sidekick plus the dog and cat came back and saw the big bat. The big bat put his wing on them and ate them up.

By Sienna

The Stolen Diamonds

Once upon a time there was a seahorse called Simon. Simon the seahorse found a cave full of diamonds but... a magic under water witch came and stole all of the diamonds. Simon chased the witch right into Bruce the sharks' mouth. So Simon and Bruce shared the diamonds.

By Emma

Seahorses and Diamonds

A seahorse found diamonds in a cave. It took a long time to get there. It took 17 hours and 50 minutes and 2 seconds. The seahorse got 17 diamonds. Then a robber came along in the sea and grabbed them all. The seahorses got together and used their magic to get all of the diamonds back.

Show Team

Congratulations to those students that were part of the Show Team at Condobolin Show last weekend. Well done to Grace Dillon who received a fourth place in the parading competition. Bubba was well behaved and was lead in the grand parade by Grace.

The Show Team will be competing at both the West Wyalong Show on Wednesday and the Lake Cargelligo Show this coming Saturday.

Dog Training

Both Brant and Joel travelled to Ungarie last week to complete the first school in the dog training program arranged by Justin Dunn from Aria Park. These two students have been given a pup to train as a work dog and from all accounts this first school was a successful day.

LAP Graduation

This Thursday, Tullibigeal will host the LAP Graduation for this year at the Community Hall. Congratulations to all those students that have successfully completed the HSC studies through this program over the last two years.

TAFE Automotive

For those students wishing to continue with TAFE automotive next year your expressions of interest forms need to be returned asap. This course will form part of your HSC studies for next year and from all accounts seems to be an enjoyable course.

Cross Roads

A reminder to the Year 10 students that Cross Roads notes and the \$90 are due back to the school the end of term, 18th September. This is a mandatory component of moving into Stage 6 study. This program will be run at Lake Burrandong Sports and Recreation centre between the 16th and 20th November and will involve all students entering the LAP program.

The Tempest

The Year 11 and 12 students ventured to Sydney yesterday to attend The Tempest play as part of their Stage 6 English studies. I hope all students enjoyed their time and thank you to Mr Hague for accompanying the students on this excursion.

Relieving Head Teacher

Lake Show

Our Kinder to Year 8 students' will have a school display in the pavilion at the Lake Show this Saturday. Stop by to see some examples of our creative students' work.

For any students interested in entering their own artwork in the show, (it can be artwork that you have completed at school) these are due to the show Pavilion by 9am Friday. The cost is 50 cents per entry. There is also a Junior Photography section which is due before 3:30pm Wednesday, a Junior Handicrafts section due by 2pm Thursday and many more.

For further details see the full program at www.lakecargelligo.net.au

Mrs Hayward

CONDOBOLIN SHOW

On Friday Grace, Jayden, Brock and Amity travelled over to condo to prepare Bubba for the annual Condobolin show. The next day Braden, Tayah, Bill and Grace competed in the shows Junior Parading section. Grace placed fourth and the others did a good job though were not lucky enough to place. Students also competed in Junior Judging of heifers. This challenged the students' knowledge though they were unlucky on the day.

Many thanks to the people that helped set up the hall, helped on the night & to those few that turned up for the clean-up Saturday morning.

I have a few people I would like to thank for all their help over the past year that has made my job so much easier. To Louise for being my sounding board all year, Deidre & Leanne Hanlon for providing the photos, Jan & Mandy for all your help with the printing of the programs, Telea for her computer expertise, Chook & Ky Hanlon for gathering up guernseys, strapping etc every week.

Midge for doing what he was told, Neil & Holly for your patience, the girls at the Co-op, to the kids that did the scoreboard, the netballers, coaches, Ungarie Butchery, Mayfield Hotel, WW Jewellers & all our sponsors.

A big thanks to all the players that put up with my tantrums & texts each week, to our supporters, Nathan, Sally, Henri & Meka for all you've done for our club. If I've missed anyone I'm sorry, it takes many people to keep our little club going and it really is appreciated by all the committee.

"LAND OF THE RIPPLING GOLD", (a book based on the early years of Tullibigeal).

"Land of the Rippling Gold" was written by Una Clarke. Her father Sydney Field was one of the early agents in Tullibigeal in the Late 1920's. Una grew up in Tullibigeal, along with her parents and older sister and one younger brother, during the depression, drought and hard times.

Written as a novel, the book is based on her family's life in Tullibigeal. The events in the book actually happened and the characters are the actual people who lived here, (only the names have been changed). On the cover and throughout the book's 131 pages are photographs taken in Tullibigeal during the early 1930's. The book is easy to read and a great insight into how tough life was for those who settled here during that time.

If anyone is interested in obtaining a copy it can be purchased from Una Berglund (nee Field), for \$15 including postage.
