Term 3

Week 10

15 September 2015

Truth * Consideration * Service

Principal's Report

In the last article for Term 3, I want to pay special tribute to the teaching and ancillary staff for another productive term. I need to acknowledge the great work by students as well and thank parents for their continued energy and support. Well-deserved holidays are eagerly anticipated by all.

Last Thursday witnessed two excursions for the primary school. Infants and the transition kids journeyed to Altina Wildlife Park where they learned a lot of fantastic facts. One which impressed me was that giraffes and humans both have the same number of bones in their necks, 7. Jacqui, Sarah, Jan and Hannah did great work looking after the kids who all seem to have had a wonderful time.

Meanwhile the 3 – 6 kids went to Parkes for a Touch Football Gala Day. Dayna and Mr Pic are thanked for their organisation, vigilance and care.

Tulli Graduation will be held this Thursday evening 17 September at the CWA Hall. It is our opportunity to farewell and congratulate this great group of fun, creative young people from our school.

We wish them all the best as they begin a new life beyond school. I re-iterate my best wishes and hope that they use their time constructively before their HSC exams commence in the Tullibigeal Hall on Monday 12 October, 2015. Good luck girls. Believe in yourself and keep going till your last exam which is on 21 or 22 October if I'm not mistaken.

Collaborative Training. The dog boys will resume their dog training learning next term. Happily we have a third dog for our other interested fellow. A great program.

White Ribbon Day is on 25 November 2015. With the endorsement of the P & C and the encouragement of the SRC we will be inviting men to take the pledge; "I swear never to commit, excuse or remain silent about violence to women. This is my oath".

Since we expect most of the community's men to still be harvesting at this time we anticipate collecting videos of Dads taking the pledge. Kids can capture these on their mobile phones and we will collect them onto our Facebook or webpage. More of this next term.

Sharks Rugby League I enjoyed watching the Under 16s go around against Yenda on Saturday at the Ron Crowe Oval in West Wyalong. It was much easier sitting in the new stands than it would have been trying to stop some of the big blokes from Yenda. The smaller Sharks team defended courageously. Good luck to those boys as they try to make it to the Grand Final to play Yenda again in a fortnight.

All the best for a safe and happy holiday. I look forward to another rewarding, if somewhat hotter, Term 4. And a reminder the all Staff and Students return on Tuesday 6th October, 2015.

Until next week...
Tom Garvey
Principal

Primary News

Today we have our 3rd and final NRL Development Clinic running for students Kindergarten to Year 6. Thank You to Tim Del Guzzo for coming out and running these clinics.

Last Thursday our trip to Altina Wildlife Park "IT'S WILD" was a great experience for all the students involved. Thank you to all the students for your wonderful behaviour and to Miss Bell, Miss Hannah and Jan for all your help as well.

Well done to our 3 to 6 group who were involved in a Touch Football Gala Day in Parkes last week. All students displayed great sportsmanship and really enjoyed their day out learning some new skills. Thank you to Miss Pearce and Mr Pic for your efforts with this excursion.

Next term we will welcome our Kindergarten Transition Group back to school for full days every Thursday starting on Thursday 8th October. These days will run until Thursday 26th November.

I would like to congratulate our three Year 12 students, Michaela, Dannielle and Kelsie on completing their final years of school and would like to wish the three of them all the very best for the future. This Friday we will be holding a formal assembly where every class will wish the girls the very best. The assembly will begin at 10.00am and parents and community members are most welcome to join us.

Finally I would like to wish everyone a relaxing and enjoyable break and remind parents and students school resumes for teachers and parents on Tuesday 6th October.

If you have any questions or concerns please contact me at the school at your earliest convenience.

Years 3 to 6 Team Building Activities

Touch Football Gala Day Parkes

Last Thursday girls in Years 3-6 travelled to Parkes to play Touch Football. Our girls team had one sub for the day. We played 2 Parkes teams and 2 Forbes teams. We won two games, lost one game and also drew one game. Many girls on the Tulli team scored a try. Touch was a great experience and we found it a lot quicker than League Tag. We also had a few breaks in between so we could have lunch and play. We would all like to thank Miss Pearce and Mr Pic for making this day possible.

Touch Football

Last Thursday Years 3 - 6 went to Parkes to play in a Touch Football Gala Day. They provided a sausage sizzle for lunch and drinks for \$2.00. The boys were lucky enough to play five games. We lost 2 games, won 1 game 7 to 0 and we had 2 draws. Every boy in the team scored at least one try. It was a fantastic day, we all played well and we would like to go again. Our school was lucky enough to receive a number of footballs, which we will use for practicing our skills.

Secondary News

Thank you for the efforts

Thank you to all those students who have shown the effort to hand in their assessments tasks on time this term. Whilst there has not been 100% hand in of assessments tasks, we are definitely on the right track with this goal, so again thank you everyone for your efforts. I hope to see these efforts continued through next term to finish of the year on a positive note.

Next term, if students need further clarification of tasks or help with any part of the task, I ask that they seek out their teacher for this support well in advance of the due date.

Cross Roads

A reminder to all students in Year 10 that crossroads notes and the \$90 is due back to the Front Office by this Friday. Again it is a compulsory component of entering Year 11 and 12 studies and is heavy subsidised by the Lachlan Access Program.

HSC Exams

As this is the last newsletter before the girls start their HSC I would like to say congratulations on finishing 13 years of schooling, remember it is only the start, and good luck with your HSC exams. I wish you all the best with whatever you pursue in the future, just don't forget where you come from.

Happy Holidays

Wishing everyone a safe and happy two weeks holidays. I hope students and teachers return refreshed ready for a busy last term of year.

"LAND OF THE RIPPLING GOLD", (a book based on the early years of Tullibigeal).

"Land of the Rippling Gold" was written by Una Clarke. Her father Sydney Field was one of the early agents in Tullibigeal in the Late 1920's. Una grew up in Tullibigeal, along with her parents and older sister and one younger brother, during the depression, drought and hard times.

Written as a novel, the book is based on her family's life in Tullibigeal. The events in the book actually happened and the characters are the actual people who lived here, (only the names have been changed). On the cover and throughout the book's 131 pages are photographs taken in Tullibigeal during the early 1930's. The book is easy to read and a great insight into how tough life was for those who settled here during that time.

If anyone is interested in obtaining a copy it can be purchased from Una Berglund (nee Field), for \$15 including postage.
