Term 4

Week 7

22 November 2016

Truth * Consideration * Service

Principal's Report

This term is just flying by, we are now over half way in the term and staff are busy writing reports. We are still on track to have these out to parents Week 8. Mandy will be contacting you all shortly to make a time for our Learning Planning Meetings, which we are hoping to hold in Week 9.

New staff for 2017, Mrs Elaine Bendall has chosen to relinquish her position and we would like to wish Mrs Bendall all the very best in her future endeavours, I am sure we will still see Elaine around. Mrs Tanya Helyar has been appointed to the school starting in 2017.

We are currently working on obtaining a Science/Maths teacher and hopefully we will have some news around this in the coming weeks. The Principal Position will close this Wednesday so hopefully in the coming weeks we will be able to announce the successful applicant. It will be great to start the year off in 2017 with staff appointed. Keep an eye out in the coming newsletter for more news.

Tomorrow our Secondary Students will be heading off to Wollongong for their 4 day excursion; Mr West has worked very hard to create a jam packed 4 days of fun for the students. I look forward to seeing and hearing about the great time they have had. Students are reminded to be at school no later than 6.45am ready to head off at 7am in the morning.

Intensive Swim Scheme is still going ahead this week and the weather has been a little kinder with the warmer days. This program will finish this week, which I'm sure Miss Pearce and the students will be glad to see (I think everyone is getting a little tired). Miss Pearce is very proud of the improvements the students have made in their swimming.

Regular attendance is an important indicator for learning and as the wind down for school begins, it is important to still send your child to school. I encourage all parents to make sure they send their child to school every day unless your child is sick.

Thank you to the Year 9/10 students who are helping paint the Basketball Court and Cartesian Plane as part of their Geometry and Measurement Unit in Maths.

If you have any concerns or questions my door is always open.

Jacqui Dillon
Relieving Principal

Primary News

2017 Festival of Instrumental Music

Students in Years 3 to 6 have again been offered the opportunity to be a part of the Festival of Instrumental Music again in 2017. Please have a talk with your child/children at home about being part of this experience and if your child is interested, **please contact Miss Pearce by the end of this week.**

Basketball Gala Day

Students in Years 3 to 6 have the opportunity to attend a Basketball Day put on by students at Lake Cargelligo Central School on Friday the 2nd December. We are just waiting to hear more information, a permission note will be sent home this week.

Year 2-6 Informative Group Reports

SHARKS

Sharks are a type of fish that are found worldwide. Sharks are carnivores which mean they only eat meat. There are over 450 species of shark. Sharks have been on earth for about 450 million years, although modern sharks have evolved for 100 million years.

Sharks have a stream-lined body which is covered in scales. They have gills for breathing and 5 types of fins which help support their bodies.

Sharks live in large groups called schools. They are ocean dwellers which means they enjoy living near the bottom of the ocean.

Sharks prey on the weakest animal in the ocean. They eat fish and small invertebrates such as crabs and squid.

These super swimmers are the largest predatory fish on our planet. They are big, fast and can deliver a serious bite!

By Emma, Alyssa, Jack and Dakota

WEATHER

What is weather

Weather includes temperature, humidity and wind, air pressure and cloud cover.

Weather occurs when warm and cold wind swirls around together creating winds. The weather is the daily conditions of a particular place.

What causes weather

The winds bring sunny, wet or stormy conditions to a certain place. These can make low pressure, bring moist air or stormy conditions into a area. High pressure systems can bright clear skies and warmer temperatures in that area but it only comes in certain amounts.

What are some types of weather

Some types of weather include rainy, windy, stormy, cloudy and sunny weather. The sun heats the air in the earths atmosphere and the weather changes from season to season.

How can weather be predicted

Weather can be predicted by the satellites that are launched into space, they send data and messages back to the weather stations to produce a daily forecast on the news.

Concluding statement

The weather differs in Australia and around the world. It is unpredictable which means you have to be prepared to deal with emergencies.

Secondary News

Secondary Excursion

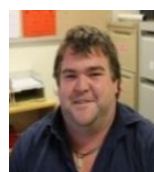

A reminder that students leave for the Secondary Excursion tomorrow Wednesday 23rd from Tullibigeal Central School. They will need to be ready to leave by 7am and therefore should be at the school by at least 6:45am to pack their equipment on to the bus. The return time to Tullibigeal Central School has been changed; it is now **Saturday at approximately 8pm.**

A reminder to students that they will have to pay for some meals whilst they are on the excursion.

Remember students need to bring back all notes before departure on Wednesday morning.

Reports

Yearly Reports look like they will be out to parents towards the end of next week. We look forward to meeting with all parents again to discuss their child's progress. Unfortunately due to unforeseen staff absences and regional flooding at the end of last term and the beginning of this term our mid-term reports, as discussed in previous meetings, didn't eventuate. There will be a structure put in place at the beginning of next year to ensure these mid-term progress reports are rolled out at the end of Term 1 2017.

Timothy Small
Head Teacher

merit AWARDS

Abbie Lewis	175 nights of home reading
Maddison Longford	125 nights home reading

PBL AWARDS

RESPECT

Jessie Tyack

Jessie is a polite and courteous student who always uses her manners. She speaks politely to others and cares for others property. She listens attentively and always values others opinions. She displays respect towards all staff, student and community members at our school. Keep up the great effort, Jessie. Well done.

Jessica Browne

Jess is a respectful student who always communicates appropriately and values the opinions of others. Jess is honest and uses her manners when speaking to staff and students. During sport Jess always participates and plays fairly by the rules. Jess follows all teacher instructions and completes tasks to the best of her abilities. Well done Jess!

RESPONSIBILITY

Ricky Murray-Wright

Ricky has been a helpful and hardworking class member. He has shown responsibility by following teacher instructions and being ready to learn. He has his equipment out ready to start his work, is contributing in discussions and completing expected tasks. Ricky has displayed responsibility by packing away classroom equipment after he is finished. Well done Ricky!

Charlotte Browne

Charlotte is a responsible student who puts a lot of effort into her learning. She is always ready to learn and is responsible for her own actions. Charlotte keeps her schoolwork organised and recently has put effort into studying for her exams. She is a positive role model to younger students and sets a good example for her peers. Keep up the good work Charlotte!

RESILIENCE

Mia Crawford

Mia has been displaying resilience in a number of learning environments. She has been having a go at and completing challenging tasks by actively seeking help when needed. She always has a positive attitude when learning a new concept and has used problem-solving skills both in and out of the classroom well. Keep up the great effort Mia!

Charlie Tyack

Charlie is a happy student who tries his best and is always willing to ask for help. He enjoys celebrating his own successes as well as the successes of others. Charlie has developed confidence taking risks with his learning and being patient if it doesn't always go his way. Well done, Charlie.

LIBRARY NEWS

Primary students have received their book club leaflets and Secondary students can pick theirs up from the Library.

Please return all order forms and payments to the front office by the due date. If paying by cheque, make cheques payable to Scholastic Australia.

If items are being ordered as gifts at any time please put your own name on the order form and attach a note saying not to give the order to the students.

Your continued support through purchasing books from the Scholastic Book Club allows us to keep adding new and exciting books to our Library for students of all ages and we greatly appreciate all of your support!!

Thank You and Happy Reading

**Don't forget!
Book Club
orders
are due:**

Wed 30th November

Students are still keenly borrowing. Next week, Week 8, will be our last week to borrow. From Monday, Week 9, students will not be able to borrow and are expected to return all books to the Library.

Thank you
Mrs Hague

CLAIM THE DATE

Tullibigeal Picnic Races

Saturday 25th March 2017

Tullibigeal Night Tennis

Harvest break starts this week.

The program has been set for the Centenary Celebrations that will be held next year, June Long Weekend. Now is the time we need help from everyone to get all the activities up and running. If everyone can lend a hand, we will have everything organised in no time. If you would like to help out please give any of the committee (Jacqui Dillon, Linda Fair, Janelle Ireland, Leanne Imrie, Brian Helyar) a ring or the people that are listed below:-

Concert – We need actors, props people, back stage workers & costumes - contact Deidre Fyfe 0429729149 – 69729149

Centenary Book – We need typists and someone to collate the book - contact Janelle Ireland 0438871661 – 69729212

Street Parade – We need floats etc and someone to help co-ordinate everyone – contact Brian Helyar 0427729257 – 69729249

Football & Netball Game – someone to organise players.

Anything you can do to help would be greatly appreciated to make this weekend one to remember.

Thanks
Leanne

Sport and Recreation's Swim and Survive lessons

Australian summers usually involve plenty of fun in and around the water, but no parent should forget how important it is to make sure children stay safe.

Sport and Recreation's Swim and Survive classes for preschoolers and school-aged children help youngsters learn important ways to be safe and enjoy our pools, rivers, beaches and lakes.

The intensive nine-day programs provide wonderful results, and are great fun as well. Plus, family discounts make our program affordable for all the children in the family.

Sport and Recreation runs Swim and Survive classes in pools throughout regional NSW.

Our instructors are nationally qualified and screened for their suitability to work with children.

Prices for nine lessons are \$70 for school-aged children and \$50 for preschoolers (prices exclude pool entry fee).

For more information or to make a booking, visit
sportandrecreation.nsw.gov.au/swimandsurvive
or phone 13 13 02
