Monday the 14th of March is international Pi day.

Another huge event is happening this Friday 11 March as TCS, let fly on the **World's Greatest Shave**. All money raised goes to the Leukaemia Foundation. It will be great to support a cause which affects many families, young and old alike. We hope in a modest way to add to the \$6million already raised (Sunday). The main idea is to raise awareness and be involved, but whatever you do to help is most appreciated. Remember kids you need parent's permission to participate.

52 Storey Treehouse excursion is on this Thursday 10 March. Have fun kids. More information in the primary section

Brock, Brant and Joel went on a **Dog Training** excursion to Arianah Park last week. They spent most of this intensive 3 days under the watchful eye of Neil (and Mr Dunn). Good on ya boys... Neil reckoned you were good men and I have no doubt you put your best foot forward. We'll hope for a written piece from you all for next week's newsletter.

Well done seniors I have been impressed with Year 11 and 12 over the way they have submitted work early. Well done guys. Senior Science fell due yesterday and the calendar looks fairly full, so keep up the good work. Hope you did well with your presentation today Year 12.
See you next week...

Primary News

Congratulations to our 5 swimmers who competed at the Western Trials on Friday. Elly, Bill, Riley, Dylan and Jack all improved their times in their individual swimming. Well done to Bill, Elly, Dylan and Riley who are now off to State for the Dobson relay. These 4 students improved their relay time by 16 seconds completing the relay in a time of 2.42.33. They will now head to Sydney at the end of the term to compete.

This Thursday 10th March Kindergarten to Year 6 will be heading over to the Griffith Regional Theatre to watch the 52 Storey Treehouse performance. Students should return to the school by 4pm. Please send your child with morning tea, lunch and plenty of water.

Just a reminder that all students need to bring a hat to school as we are a sun safe school. Students are encouraged to wear a hat. If your child does not bring their hat they will be asked to play in a shaded area or they may borrow a hat from the office. Also all students need to bring a water bottle to school every day. As the days are still quite warm please make sure your child brings plenty of water with them.

Wednesday 9th March Life Education will be visiting our school. All students Kindergarten to Year 6 will be involved in these lessons. The charge of the van has already been included in your child's school fees. There will be Harold merchandise which can be bought on the day of the van visit to the school. If your child would like to buy something please fill in the order form attached to the newsletter and send in with appropriate money. **Please note that there are handballs now available.**

HAROLD MERCHANDISE

Dear Parents,

Life Education NSW is a not for profit community-based organisation that relies heavily on fundraising within the community to assist in meeting the shortfall left after receiving minimal assistance from Government funding.

The sale of Harold merchandise to the children whilst the program is visiting each school supports the fundraising activities of local committees and all proceeds support Life Education within each local area. These products help to remind children about the messages delivered to them during their Life Education session and have either a picture of Harold or the Life Education logo on them.

The educator will provide the opportunity for children to purchase these products during the school visit. Please provide the **correct money** in an envelope with the item written on the face of the envelope along with your child's name and class. This allows the educator to process orders efficiently and accurately. Orders will be returned by the conclusion of the visit.
