Term 1

Week 8

15 March 2016

Truth * Consideration * Service

Principal's Report

Pi Day was held yesterday. The ratio of a circle's circumference to its diameter (about 3) was celebrated in song, reciting, finding birthdays and art. Most of the school enjoyed a yummy Lake pie to commemorate the day. Thanks everyone.

Another huge event happened last Friday with the "World's Greatest Shave". Big it up for Kyhle, who raised \$80 himself, Mr Hague and Mr Pic who underwent amazing transformations and all the students who participated or contributed money. The SRC went magnificently and the time spent was very enjoyable in typical TCS fashion. Congratulations everyone! A great job raising something in the order of \$400. A marvellous effort.

Well done seniors. It is important to acknowledge the good work of senior students. I have been impressed with their hand in of assessment work. It is also important to back that up with high expectations. High expectations reflect our regard for these students and helps them to do their best. I hope that senior students will accept our high expectations and the intention which underlies them.

Dog Training at Arianh Park Word on the street is that Brant, Joel and Brock had a great time at Arianh Park. The boys were well looked after and fed by friends just out of town. They had 3 days of intensive dog work with Neil and Mr Dunn and learned, not only about dog work but also about stock.

I was impressed by Neil's message about not pressuring the dog and the sheep.

The boys are looking forward to further work with Mr Dunn later in the year. Brant presented Neil with a few small gifts from TCS, by way of thank you.

Competitions We have a couple of weeks left to sign up for competitions. The last day for payment is Thursday 24 March. I would sincerely like to encourage students to sign up for at least 1 competition. The entry sheet is included later in the newsletter. ICAS run most of these competitions and expect at least 3 students in each one, so some negotiation may be needed.

Parent Line Blurp. Included in the newsletter is a page advertising a variety of parenting ideas from parentline.org.au. Whilst it was sent to our school because of our primary component, there are words of wisdom and points of contact for all parents.

Welcome Miss Breen. We are lucky to have Miss Breen in the primary area while Miss Ward is on leave. I have every confidence Miss Breen will do a great job and wish Miss Ward a complete recovery.

Looking forward to the races

See you next week...

Primary News

Congratulations to our 4 students, Bill, Riley, Damon and Dylan who competed at the AFL Trials in West Wyalong last Wednesday, these boys joined with Ungarie to compete. They were successful in all their games which now allow them to go to Parkes on Friday 1st April to compete against Cudgegong Valley in the final. Each of these boys will also have to opportunity to trial for the Western Region team. Thank you to Mrs Payne for organising our students to play with Ungarie, Mr Cattle for running the team on the day and the Ungarie school for including our students.

Last Thursday Kindergarten to Year 6 enjoyed the performance at the Griffith Regional Theatre of The 52-Storey Treehouse. By all accounts the students had a great time and were very well behaved. Thank you to Miss Ward, Miss Bell and Miss Hannah for organising this great event.

Last Wednesday all students Kindergarten to Year 6 participated in the annual Life Education Van visit which included a visit from Harold. Kindergarten was very excited to meet Harold. Thank you to all those who supported the Life Education Van.

Welcome to Miss Jess Breen who has joined our staff for the remainder of the term whilst Miss Ward is on leave. Miss Breen will be taking all of Miss Wards classes, we hope you enjoy your stay!

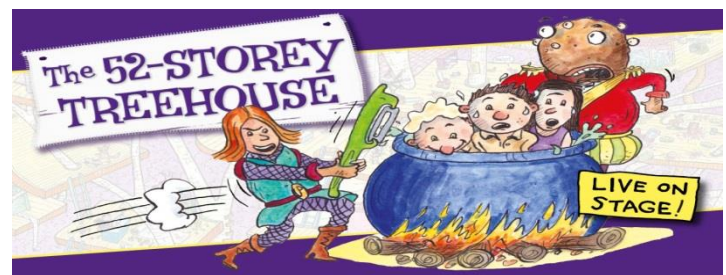

From next week onwards Library for students Kindergarten to Year 6 will be on **Tuesday**. So please make sure you send your child to school with their bag on Tuesday. Mrs Hague will now be the library teacher and she will be joining the staff every Tuesday and every second Friday.

Good luck to Bill Dillon this Friday who will be heading to Dubbo to trial for the Western Region team in cricket. Bill was selected earlier in the year from students across the Lower Lachlan Schools and will represent these schools on Friday.

Next Monday 21st March we will be holding the Lower Lachlan Rugby League Trials at Tullibigeal. Mr Andrew Herbert from NRL Development will be here to help select the team and to provide some skills and training for all students. Thank you to Miss Pearce and Andrew for their efforts with these trials.

THE 52 STOREY TREEHOUSE EXCURSION

The 52 Storey Treehouse excursion was fantastic! We travelled in style on a brand new bus with our driver Tracey. At the theatre we laughed lots and some of us even covered our eyes in suspense. The Griffith City Park was a great place to visit for a play and of course a few students took the opportunity to have a snooze on the way home. All staff involved are very proud of our students for their great behaviour all day.

HARMONY DAY

Our students and staff will be celebrating Harmony Day next Monday 21st March. This day is about inclusiveness, respect and a sense of belonging for everyone. Students may wear multicolours to school. We will be cooking a variety of food from around the world to share for our lunch. This should be a fun day for all.

Secondary News

Western Region Netball Trials

Good luck to Tayah Glasgow who goes to Orange on Thursday for the Western Region Open Girls Netball Trials. She should gain valuable experience from this year's trials to subsequent years as she will be trialling against girls all the way to Year 12.

Harmony Day

Tullibigeal Central will be participating in Harmony Day on Monday 21st March. This will involve all student groups cooking dishes from various countries and sharing these for lunch. Students will be cooking dishes such as Risotto, Moroccan Beef, Nachos, Teriyaki chicken and more. Thank you to Ms Bell for organising event again this year.

Show Team

An expression of interest to be part of the Tullibigeal Show Team has gone home today. This expression of interest outlines the expectations of being involved in the show team and some of the expenses that will be involved. One expectation that I would like to highlight is that students cannot fall behind in their school work or they will be removed from the show team until such time they have caught up in their work.

Please discuss this opportunity with your child and send the expression of interest back to the school.

LAP Head Teacher Position

Good luck to Ms Goldthorpe who is applying for the LAP head teacher job for three weeks whilst Mel Rees is on higher duties. Ms Goldthorpe will have her interview on Wednesday.

Assessments

Thank you to all secondary students who have made an effort to hand in assessments on time and in the right way. It is pleasing to see so many assessments come across my desk. Keep up the effort secondary.

Stewart House Donation Drive 2016.

If you would like to make a donation an envelope has been attached to the newsletter for each family. Please return this envelope to the front office before the 11th May 2016.

How Stewart House helps

For 80 years Stewart House has provided refuge for disadvantaged and marginalised children who need a break from their circumstances. Each year Stewart House looks after 1,800 children from across NSW and the ACT, who take part in a 12 day residential program at the organisation's headquarters on Sydney's northern beaches. During their stay, children are provided with eye, dental and general medical checks, in addition to emotional support.

To continue to provide the current levels of service, Stewart House needs to raise more than \$2.5 million every year.

A small contribution will make the difference between operating at capacity and turning away the neediest of children.

I hope everyone get behind this most worthy of charities

Please find attached to the newsletter more information and offers from Stewart House

Parent Line

NSW

AUTUMN 2016

find us on

Parent Line NSW is a unique telephone and online counselling and support service for parents and carers. We cover issues with babies, children and young people up to 18 years of age, all over NSW. Our counsellors are professionally trained and specialise in working with families.

Only the best will do

Parent Line counsellors use research-based understanding of children and families together with proven parenting strategies to help parents develop more positive relationships with kids. We support parents to find strategies that best work for their family and we provide thousands of referrals every year to services all over New South Wales.

TOP 5

concerns in 2015

Last year we were most often asked about:

- 1 Child anxiety
- 2 Reducing parent/child conflict
- 3 Managing challenging behaviour
- 4 Managing parents' stress
- 5 Impact of parental conflict and separation on kids

Child development and learning

Many parents have concerns at times during the primary school years about their child's social development or learning skills. **Talking over concerns with a parenting counsellor can identify where problems might be occurring and we can offer referrals and/or parenting strategies to assist.** We can also talk about changes in a child's behaviour or character to help parents understand what may be happening for their child.

Tough conversations

The primary school years are filled with tough conversations parents need to have with kids. Some of these include:

- * Strangers and safety
- * Using technology
- * Sex education
- * Bullying
- * Grief

Parent Line counsellors are very familiar with these conversations and can help parents find the best ways to communicate concerns without making kids distressed or defensive. **Call us or jump online at www.parentline.org.au to chat to a counsellor.**

5 signs of a healthy family

Whilst every family is unique, researchers find there are common signs of healthy families:

- * Members are committed to one another
- * Families engage in positive communication
- * The family spends significant time together
- * Members show affection to one another
- * The family actively engages together to resolve crises (DeFrain 1999).

Our counsellors can help families develop these ways of being together.

"I just DON'T want to go!"

Our counsellors receive many calls from parents with this issue, and there are many reasons why children may not want to go to school. Our counsellors can discuss your family situation and what your child may be experiencing so that we can help you find some strategies that work.

2016 Academic Competitions

Following the good work of students with the Australian Mathematics Competition and the Geography Competition in 2015, the idea is to extend an invitation for more students to participate in academic competitions during 2016.

There are a variety of subject specific competitions, and in addition, several writing, speaking or other types of opportunities which occur from time to time.

The intention is to encourage participation of students in these competitions. With this in mind TCS intends to invite them to enter competitions. We will also subsidise the cost of students entering competitions.

This letter provides opportunities for students to enter competitions. The table shows the Competition Name, when it occurs, who is eligible, the total cost and the subsidised cost. ICAS is run by the University of NSW and stands for *International Competitions and Assessments for Schools*.

Students should arrange for this form and appropriate money to be returned to the Front Office by the **24th March 2016**.
