Principal's Report

Wet Weather

I hope everyone is keeping dry and out of this wet weather! Just a reminder to stay away from roads that are covered in water and don't enter unless you know it is safe to do so.

Mr Garvey leave

Unfortunately Mr Garvey has had to take leave until early September. He wanted to wish everyone all the best and he has made this decision for health and family reasons. I will step into the role of Relieving Principal until early September. We are currently working on changes to classes and will let you all know the changes in next week's newsletter for next term.

Learning Planning Meetings

Our Learning Planning Meetings have begun with many of our primary students very excited to be showing the hard work they have been completing in class this semester. These are a great way for teachers, parents and students to discuss their child's aim for the next semester.

Merit Awards

Due to \$10.00 iTunes vouchers not being available, students are now able to save 20 merit awards and receive either a \$20 iTunes voucher or a \$20.00 book club voucher. Students are to hand in their merit awards to the front office and will receive their vouchers at the next assembly. We are currently working on new merit awards which will

be handed out from next term. Keep an eye out for the new PBL merit awards.

STEM Showcase

Mr Small and Miss Goldthorpe will be heading to Sydney on Wednesday with staff across the LAP program to investigate the STEM Project which includes an interdisciplinary approach to teaching Science, Technology, Engineering and Mathematics. It will be interesting to see what Mr Small and Miss Goldthorpe learn.

Variety Bash Visit

Last Friday we had two gentlemen visit the school organising a rally car race for next year. They have asked if we would like to host lunch for approximately 80 cars with between 250-300 people.

Primary News

Congratulations to Miranda who participated at the Western Region Cross Country last week in Guerie. Miranda completed the course and should be proud of her efforts.

Reports were sent home on Friday and by all accounts most students should be proud of their efforts in Semester 1.

There will be some changes to staff over the next few weeks and we hope we will be able to let you know these changes early next week for next term.

Students are reminded to make sure they have their names on their jumpers as there seems to be too many jumpers left at school without names. Please make sure you label all your child's equipment so it can be returned to them.

This week will be the last week for homework for Term 2. If your child has completed homework and has not handed it in they can still do so with their classroom teacher.

Jacqui Dillon
Assistant Principal

Recorder parents, could you please contact the school by this Friday the 24th June and let Miss Pearce know how many tickets you would like to purchase for the Opera House Performance on Monday 22nd August. You may bring along grandparents or friends that would like to watch also. Tickets are \$42 full price and \$35 for concessions. If you are coming to the Opera House please remember it is up to you to make your own travel and accommodation arrangements. Please contact Miss Pearce if you have any questions.

KINDERGARTEN TRANSITION PROGRAM

Next term we will begin the Kindergarten Transition Program for all those children who will be starting school in 2017.

The program will run every Thursday from 9am-12pm in Term 3. In Term 4 we will continue on a Thursday but children will stay for the whole day.

Could all parents please contact the school and let us know your child's details if they wish to be involved in this program. Feel free to give Mrs Dillon a call if you have any questions or would like to know any more details.

Secondary News

Learning Planning Meetings

Our learning planning meetings are well underway at the moment, with specific student learning goals being developed in collaboration with teachers, parents and students. Particularly year 10 and year 8 students this is a great opportunity to think about your subject selections for next year and develop a learning path to achieve in these electives. I look forward to conversing with more parents about their child's learning directions in the coming days.

End of Term Looming

There is not long to go now til end of term, making it a great time to finish off all outstanding assessment work and start fresh next term.

Phones in school

This is a reminder to all students about the schools phone policy. Whilst a student may have a phone at school and can use this during recess and lunch, they cannot be using their phone in class time unless directed by the teacher to do so. This will be for a specific purpose, i.e. taking a photo of their project, and is not a time to be checking or replying to messages. Students are also reminded they cannot film or record another student. If parents need to contact their child for any reason they need to ring the school and they will be put through to their child.

School Merit System

There has been a slight change in the school merit system as \$10 iTunes vouchers are no longer available. Students will now be acknowledged when they have received 20 merit certificates with a \$20 iTunes voucher or voucher of a similar value. Starting next term there will be an addition of PBL merits in our three PBL values, so watch this space.

CLASSROOM HAPPENINGS...

Mr West

This term has seen students in the stage 4 and 5 HSE classrooms trying out some new ICT programs, looking at new engaging ways for students to present information. These included Animaker, a program where students create a cartoon, complete with customisable characters, sounds and text. Another was PiktoChart, a program used to create colourful infographics. In this activity, students had to display information in a clear and concise manner using picture and graphs where possible and only using limited text, highlighting the key terms. Below are a couple of examples of these from the stage 5 classroom; note these are only snippets from them, as the finished products were the length of three A4 pages!

Tullibigeal Centenary
Celebrations
to be held on the June Long
Weekend (10,11,12) 2017

We have received many very interesting stories, information and photographs for our Centenary book, so far.

If you would like to have your family's story told and have not filled out a questionnaire or written your own story, please do so. **We cannot cover families if we don't know their story.**

Our aim is to cover Tullibigeal history, through your stories, from the early 1900's up to today.

We don't want you to miss having your part of Tullibigeal history to contribute, no matter how big or how small.

If you need a questionnaire or want help with putting, your story down you can contact Linda Fair or Janelle Ireland.

To get all your information put together and ready for publication in time for our celebrations in June 2017, we will need to have your story by the end of June this year.

AbSec Youth Ambassador Program

The Aboriginal Child, Family and Community Care State Secretariat (AbSec) are currently seeking expressions of interest to join the AbSec Youth Ambassador Program (YAP).

This initiative aims to provide a platform for Aboriginal young people to engage with the child protection and out-of-home care sector in NSW. Given the ongoing over-representation of Aboriginal children within these systems and its profound effects on many of their lives, AbSec is working to ensure the voices of Aboriginal young people are heard right across the sector.

The purpose of the AbSec YAP is to:

- Motivate and inspire the non-government sector and wider community
- Influence Government and decision-makers
- Speak publicly, with support from AbSec, on experiences and issues impacting Aboriginal young people across NSW.

The governance arrangements of the YAP include:

- Membership over a 2 year term; with up to 10 Ambassadors, aged between 16-25 years of age;
- Regular commitments to meetings;
- Code of conduct for YAP participants, in agreement with those selected;
- AbSec to provide support and facilitation.

The Youth Ambassadors will develop an annual report on their views as well as seek out opportunities to speak on issues publicly and provide AbSec with information to influence public positions.

AbSec values the diverse perspectives of Aboriginal young people from different geographic locations, communities and with different life experiences. The AbSec YAP is open to any Aboriginal young person in NSW who is passionate about the Aboriginal child welfare system. Aboriginal young people with personal or family experience of the child protection or out-of-home care systems are particularly encouraged to apply.

Should you have any questions in relation to the YAP or the application process please contact Ms Julie Welsh, Senior Policy Officer on (02) 9559 5299 or email YouthVoice@absec.org.au

Applications close **Friday 1 July 2016**.

Kind regards

Tim Ireland
