Principal's Report

Blue Waters Art Festival was on last weekend in the Memorial Hall Lake Cargelligo. What a great event! It is always good to have someone in your corner and the Tulli kids again scooped the pool with our combined 'Life On The Land' collection gaining first prize. There were a few notable individual performances as well. Of course Mrs Hayward featured in the winner's circle. Laurie Watts won the youth section with her lino print. Mrs Tyack won in the photography section 16. Grace Dillon also won first prize. My list is incomplete but there were a number of highly commended from Tulli Central School as well. Our Thanks to Mrs Hayward for making sure we were so well represented and giant congratulations to all the students who entered a piece.

The Department of Education is honouring service personnel who served in conflict after WWII and were teachers. If you know of someone who should be acknowledged fill in the form or just give Mandy or Jan a call.

Reports and Learning Planning Meetings Reports are due to be handed out this Friday, and the Learning Planning Meetings are scheduled for weeks 9 and 10. These valuable meetings take the place of Parent Teacher Nights and help students focus on their work and engage with their learning. I would encourage all students Years 3 -12 to think about how well they have done this semester and what their learning goals might be for semester 2. Thanks to the staff who have completed their reports already.

ICAS Spelling competition is on this week. Best of luck to those students who have entered. No shortage of talent in this school.

Till next week...

Primary News

I hope everybody enjoyed the long weekend. Congratulation to Mrs Hayward and the students on their entries in the Blue Waters Exhibition, not only did the school take out the schools section but we also had many students also do very well in their individual entries. Mrs Hayward has done a fantastic effort guiding these students with their artworks. Well done!

Reports have almost been completed and we are hoping to hand them out at the end of the week. Over the following next two weeks we will be holding our Learning Planning Meetings. We will be in touch soon to make a time.

Congratulations to all students who competed in the Athletics Carnival last Thursday, it turned out to be a great day and it was great to see all students participating and giving their best. Congratulations to McCarthur for taking out the Carnival and to Farrer for taking out the March. A list of Champions will be listed further in the newsletter. Thank you to Miss Pearce and Mr Small for organising the carnival.

Finally good luck to Miranda Barnes who will be heading off to the Western Region Cross Country this Wednesday in Guerie. Try your best Miranda!

KINDERGARTEN TRANSITION PROGRAM

Next term we will begin the Kindergarten Transition Program for all those children who will be starting school in 2017.

The program will run every Thursday from 9am-12pm in Term 3. In Term 4 we will continue on a Thursday but children will stay for the whole day.

Could all parents please contact the school and let us know your child's details if they wish to be involved in this program. Feel free to give Mrs Dillon a call if you have any questions or would like to know any more details.

Secondary News

Careers Expo

Wednesday 15th June students from Years 9-12 will have the opportunity to attend the careers expo in Condobolin. Students will get to investigate different career paths available after schooling, hopefully inspiring them to achieve their potential whilst here.

Reports & Learning Planning Meetings

Reports are due out this Friday 17th June, with learning planning meetings taking place in the last 2 weeks of this term.

You will notice a difference with the Secondary Reports this year as the raw marks have been removed from the report to better align with the assessment policy of Tullibigeal Central School. Students now receive grades only.

"SCHOOL BASED ASSESSMENT – ALLOCATION OF GRADES

In all Stage 5 subjects, the school based assessment is reported using grades A, B, C, D, E based on Performance Descriptors issued by the Board of Studies.

The Board of Studies has developed General Performance Descriptors describing varying levels of student achievement. These descriptors are grouped into five different levels, ranging from elementary to excellent. There are also specific Course Performance Descriptors for Stage 5 subjects detailing more in-depth knowledge specific to a course. The school will match students to the descriptor that best fits their overall achievement in Assessment Tasks. The grade that corresponds with that descriptor is then awarded to the student. (See General Performance Descriptors on Page [5]).

This method of grading reflects both national and international trends in assessment and reporting. It is generally considered a more positive approach to assessment because it regards student achievement and reports on what a student can actually do." (Except from assessment booklet)

This allows teachers to better report on levels of student knowledge and understanding against outcomes and Performance Descriptors. I look forward to discussing this form of assessing and reporting at the upcoming learning planning meetings.

These Learning Planning meetings are important as they will allow students to voice personal learning goals and will help inform teachers' planning for semester 2.

Certificates and artworks/photos/poetry will be handed back on Wednesday for you to take home. We should receive the prize money by next Monday.

Thank you to all student's for their entries. They were all of a very high standard and displayed the talents of our Tullibigeal student's to the wider community.

This week in art we will begin work on a mural for the Co-op window.

Recorder Camp

On Monday Elly, Tahlia, Mia, Emma and Dakota went to Borambola to play the recorder. When we got to Borambola we settled in and had some lunch. Then we did an orienteering activity, it was fun. When the activity was done we played the recorder until dinner, then after dinner we played a game that was funny and really fun.

On Tuesday we had a big recorder rehearsal with different schools from different places. The activity was archery and sadly Emma had to leave. We had to play more and more recorder which was fun. At the end of the day and after dinner the recorder teacher, Susan, played some games with us.

On Wednesday the activity was fencing and the songs were Strawberry Fair, Six Ribbons and High Road. Six Ribbons was a combine piece. The night activity was a talent quest and our performance was a whole dorm catwalk.

On Thursday it was all about playing the right notes at the right time for recording the CD and being prepared for the concert. On Friday the activity was outside rock climbing which none of the girls had done before especially Mia. The night activity was senior string and tutors audition for the concert.

On Friday it was all about getting it right or do it again. We felt excited but sad about having to leave that afternoon. We all felt rushed about packing and getting all the notes right in the concert. We all played well and sang beautifully. A big thank you to Mel for bringing all of us home!

Tullibigeal Centenary
Celebrations
to be held on the June Long
Weekend (10,11,12) 2017

We have received many very interesting stories, information and photographs for our Centenary book, so far.

If you would like to have your family's story told and have not filled out a questionnaire or written your own story, please do so. **We cannot cover families if we don't know their story.**

Our aim is to cover Tullibigeal history, through your stories, from the early 1900's up to today.

We don't want you to miss having your part of Tullibigeal history to contribute, no matter how big or how small.

If you need a questionnaire or want help with putting, your story down you can contact Linda Fair or Janelle Ireland.

To get all your information put together and ready for publication in time for our celebrations in June 2017, we will need to have your story by the end of June this year.
