Principal's Report

WELCOME BACK

I hope everyone had a relaxing and enjoyable break. It was great to see all the students back ready to learn. This term will be very busy with the Primary excursion happening and also OPEN DAY which will feature the PBL Launch, Fete and Book Fair.

Welcome to our two new additions

Welcome to our two new steers Xander and Kai. Both these animals arrived in the AG plot over the school holidays and have made themselves at home. I am sure our Show Team will get straight into working with these two animals over the next week along with Miss Goldthorpe.

Kindergarten Transition

This Thursday will see the beginning of our Kindergarten Transition Program with three students indicating they will be involved in the program. We will also be holding an information meeting for the parents of these students on Thursday 21st July starting at 11 am.

Save the Date

During Education Week we will holding the launch of our Positive Behaviour for Learning. Thursday 4th August, we will celebrating Education Week with a whole School Assembly which will be held at the Big Hall. and we will be releasing our PBL balloons and then we will return to the school for our Bi Annual Fete. The money raised from the fete will go towards the students excursions.

PBL Ribbons

Our PBL ribbons have arrived and will begin to be handed out this Friday at our weekly assemblies. These ribbons will be handed to students who display respect, resilience or responsibility. Our usual merit awards may also be handed out. Once a student receives 20 ribbons or merit awards or a mixture of both they can be brought into school to receive a \$20.00 Itunes voucher or a Book Club voucher.

Autism Awareness

Autism is something which affects many people; the staff at TCS have come up with a novel idea to raise money for Autism. Miss Pearce, Mr Small and I have offered to be slimed if the student body can raise over \$300.00. This money will be given to the autism association. The sliming will happen at the end of the fete.

Tullibigeal Centenary Celebrations
to be held on the June Long Weekend (10,11,12) 2017

We have received many very interesting stories, information and photographs for our Centenary book, so far.

If you would like to have your family's story told and have not filled out a questionnaire or written your own story, please do so. **We cannot cover families if we don't know their story.**

Our aim is to cover Tullibigeal history, through your stories, from the early 1900's up to today.

We don't want you to miss having your part of Tullibigeal history to contribute, no matter how big or how small.

If you need a questionnaire or want help with putting, your story down you can contact Linda Fair or Janelle Ireland.

To get all your information put together and ready for publication in time for our celebrations in June 2017, we will need to have your story by the end of June this year.

CENTENARY CELEBRATION

I am trying to compile a time line for the Centenary Celebrations to be held on the June long weekend next year 2017. If anyone knows of any significant happenings in Tulli, could they please let me know asap.

A few things that I have thought of are:

What year did the Railway Station close?

What year did the Telephone Exchange go automatic?

When was the ouse for the RSL bought to town?

Where did the house come from?

When did the NAB close the Tulli branch?

When was the new Fire Shed built?

When were the Water Tanks built?

Was this when the Lake water came to town?

What year did the BNA close?

Could you either email leanneimrie@bigpond.com or ring me 69729125 or 042729320 if you know any of these things.

Thank you for your help

To Whom It May Concern

Following the success of the inaugural Junior Judging & Parader's Competition at the Lake Cargelligo Show last year, we are now organising this event for the 2016 Lake Cargelligo Show, which will be held on Saturday, 3rd September, 2016 and are inviting your school would to participate.

These competitions are really aimed at the novice level of competitors to try and generate more interest in the cattle industry and feel that what better way to do this than via a casual and friendly competition at the Lake Show.

The Overjudge, Mr Denis Moxey, will hold a Parader's and Judging Workshop at 10am at the Lake Cargelligo Showground in the area beside the cattle yards prior to the competition beginning at 11am. There will be three levels in both competitions ie Novice (for absolute beginners despite the competitor's age), Intermediate (for those competitors who have participated in any previous competitions) and Open (for those competitors who really know what they are doing and may have placed in any previous competition).

The Parader's Workshop, which is judged solely on the person, will teach competitors about the characteristics that the Judge is looking for such as the presentation of themselves, the presentation of the animal including how it is paraded and the amount of contact the competitor has with the judge are all taken into consideration.

The Junior Judging Workshop will explain certain aspects of the body of an animal and why one particular beast might be better than another. Competitors then have to place animals in a particular order of 1st, 2nd, 3rd and 4th and then need to convince the Judge why you placed them in that order. This is a great way to learn about what constitutes a good animal and creates confidence in public speaking.

If your school would like to bring along some of your cattle, you are more than welcome and ask that you let us know as soon as possible if this is the case.

Anyone over 8 years old is eligible to participate and is FREE to enter. Elders Lake Cargelligo will again be sponsoring this event with many prizes up for grabs for placing's in both competitions. Whilst this invitation is extended to schools, the competitions are also open to local and individual competitors as well.

Looking forward to your support in this venture and ask that you please confirm your attendance and student participation by 30th August, 2016.
