Principal's Report

Nationally Consistent Collection of Data

Data is currently being collected for our school;
All Australian schools will collect data on their students who are receiving adjustments to meet additional learning and support needs in accordance with their obligations under the Disability Discrimination Act 1992 and Disability Standards for Education 2005. This data will be provided to the Australian Government to assist in the development of a consistent, national picture of the education needs of students with disability.

The data provided to the Australian Government by the NSW Department of Education and Communities is provided in such a way that it cannot be used to identify any individual student or school.

General information about the national data collection can be found on the Australian Government Department of Education and Training website at <http://education.gov.au/fact-sheets-nationally-consistent-collection-data-school-students-disability>.

If you have any concerns or need to know more information please contact the school.

Interest Day

Congratulations to all students who received raffle tickets in the last fortnight; as a result of their fantastic efforts we will be holding our Interest Day this Wednesday. All students have chosen their interest; students will also receive an extended recess and lunch in line with their award.

Education Week

Next week will be Education Week for all NSW schools. We will be celebrating Education Week at our Open Day with the launch of our Positive Behaviour for Learning with a whole assembly at the big hall starting at 10.00. After our assembly we will be inviting everyone back to the school to enjoy our Bi-Annual Fete and raising money for Autism Awareness. More information will be available in the newsletter.

CWA International Day

Students Kindergarten to Year 6 will be heading down to the CWA hall on Friday to tell the CWA ladies about all the wonderful information they have learnt about Mongolia, the country of interest for this year. Students have been very busy creating some fantastic reports, pictures and learning music ready to perform on Friday. I am sure everyone will be thoroughly entertained.

Kinder Transition

Last week we had three students attend our Kinder Transition for their first day.

Primary News

Backyard NRL

This Friday 29th August we have Bryson Snowden our NRL Development Officer visiting our school to start implementing the backyard football program. K/1/2 will start straight after recess for 30 minutes followed by Years 3 – 6 and then Years 7-10 before lunch.

CWA Presentation

Infants and Primary students will head down to the CWA hall on Friday at the end of lunch to present their work they have been doing on Mongolia.

Transition

Congratulations to our transition students who had their first day last Thursday. They seemed to enjoy their first school experience and are keen to come back this week. Well done Chelsea, Isla and Sophia.

2-4 PBL Costumes

Students in Years 2, 3 and 4 have been busy rehearsing for their PBL performance. Students will be dressing up for this part of the day. They have costumes already available from the school and some will be able to wear something from home, a list will be sent home with students this week.

Tombola Jars

Have you thought about donating a tombola jar for our school fete? Let's see how many we can organise this week. These jars can be filled with items such as stickers, toy cars, nail polish, play dough or anything else fun and interesting that you can think of.

Open Day

All students are welcome to wear blue, yellow and green clothing on our Open Day to highlight the colours of our PBL values. Costume changes will be necessary for the performance at the Big Hall. This special event is not only going to be big but also colourful!

K/1 PBL Launch Costumes

K/1 have been having lots of fun organising an impressive dance routine for the PBL launch. For this performance these students are asked to dress up. Students can wear something they already have at home or use one of the many costumes available at school. Remember all outfits must be practical and dance friendly for movement. Please feel free to contact staff for any enquiries.

Miss Pearce
Relieving Assistant Principal

Secondary News

Western Cross Country

Best of luck to Blair Barnes who will be attending Western Athletics trial this Friday 29th July.

**GOOD LUCK
BLAIR !!!**

AMC Maths competition

Best of luck to all students who will be sitting the AMC Maths Competition paper. Students will be sitting this on Thursday 28th July.

ASPIRE Visit

University of New South Wales ASPIRE team members will be in our school next week as part of their annual visit to the region. They will be working with infants and primary students on Wednesday 3rd August and secondary students on Friday 5th August.

Entrepreneurship

Stage 5 students will travel to Parkes on Monday 1st of August to take part in the next instalment of the entrepreneurship course that is being run in conjunction with Parkes High School and Intel. This will be an introduction to coding, using computers to control operations of electronics.

Infants Tech Project

I have asked all the infants students to try and bring in a plastic bottle for a project I wish to do with them in technology. Ideal a 600ml soft drink bottle would be best.

Timothy Small
Head Teacher

Millie Helyar

100 nights Home Reading.

CLAIMING THE DATE

**Tullibigeal Centenary
Celebrations
to be held on the June Long
Weekend (10,11,12) 2017**

We have received many very interesting stories, information and photographs for our Centenary book, so far.

If you would like to have your family's story told and have not filled out a questionnaire or written your own story, please do so. **We cannot cover families if we don't know their story.**

Our aim is to cover Tullibigeal history, through your stories, from the early 1900's up to today.

We don't want you to miss having your part of Tullibigeal history to contribute, no matter how big or how small.

If you need a questionnaire or want help with putting, your story down you can contact Linda Fair or Janelle Ireland.

To get all your information put together and ready for publication in time for our celebrations in June 2017, we will need to have your story by the end of June this year.

Janelle Ireland on behalf of
Tullibigeal Centenary Committee

CENTENARY CELEBRATION

I am trying to compile a time line for the Centenary Celebrations to be held on the June long weekend next year 2017. If anyone knows of any significant happenings in Tulli, could they please let me know asap.

A few things that I have thought of are:

What year did the Railway Station close?

What year did the Telephone Exchange go automatic?

When was the ouse for the RSL bought to town?

Where did the house come from?

When did the NAB close the Tulli branch?

When was the new Fire Shed built?

When were the Water Tanks built?

Was this when the Lake water came to town?

What year did the BNA close?

Could you either email leanneimrie@bigpond.com or ring me 69729125 or 042729320 if you know any of these things.

Thank you for your help

Leanne

Development

*The winning poster will be printed and used as a display in local shops, libraries,
government buildings etc.*

Entries must have:

Name, Age, Year at School, Which School, Address and Contact Number

Just Right Kids Sensory Processing Workshops

Does your child or do you know a child that struggles with...

- Behavioural difficulties
- Emotional meltdowns
- Self-regulation difficulties
- Concentrating
- Learning difficulties at home and in class

Often these difficulties are labelled as misbehaviour, being “naughty”, or just not being able to concentrate.

The **Just Right Kids - Sensory Processing workshop** is presented by **Deb Hopper**, Occupational Therapist.

It is suitable for...

- Occupational Therapists
- Medical Professionals
- Teachers
- Classroom Assistants
- Parents, Families and Carers

Having an in-depth understanding of sensory processing difficulties can assist us in understanding what a child is truly struggling with, and assist us as teachers and health professionals to understand the underlying reason of why a child is struggling at home and at school.

Deb Hopper is available to travel to your school or centre.

Learn2Communicate

Seminars for Parents and Educators

**Lake Cargelligo 20th September 2016 @
St Francis Xavier School Hall**

SPEECH-LANGUAGE-READING-SPELLING

ABOUT THE PRESENTER

Karen Trengove - Speech Pathologist

Karen is the founder of Learn2Communicate and has over 20 years of speech pathology experience. She is passionate about helping educators support children to develop speech, language and literacy skills. Karen has presented widely at state and national conferences and is also the author of three resource kits designed specifically for Australian early childhood educators available at www.learn2communicate.com.au

ABOUT THE SEMINARS

Learning to communicate is the most important skill we will develop in our lifetimes. Children can become Effective Communicators (EYLF Outcome 5) only if Speech Pathologists, Parents and Educators work in partnership to nurture children's speech and language skills.

Seminar 1 PRESCHOOL 9:30-12:00 will cover the 'Red Flags' for identifying speech, language and communication difficulties. Karen will also share her '10 Tips for Talking' with participants guaranteed to boost speech and language development in all young children. Activities to help children with speech difficulties and building reading readiness in preschool aged children will also be addressed in this seminar.

Seminar 2 SCHOOL 1:00 - 5:00 will provide parents and educators with a step by step approach to implement a synthetic phonics approach for reading and spelling in the early years. This approach will enhance rather than replace any existing programmes used in your school (K-2) and is based upon developing clear speech and then building solid phonological awareness and effective oral language skills for all students. Reading and spelling can then be taught in a planned, purposeful and developmentally appropriate sequence.

Limited Numbers first in best dressed.

RSVP by the 12th of September.

Contact Kate Maloney: 0417511954

PARTICIPANTS WILL RECEIVE

- * Instruction in how to use the technique of 'Cued Articulation' to help children develop specific speech sounds
- * Screening tools to Identify speech and language difficulties
- * Demonstrated '10 Tips for Talking' language facilitation techniques
- * A clear framework for developing emergent and early literacy skills
- * Option to attend either seminar or both!

BOTH SEMINARS SUITABLE FOR:

Parent and Educators of children aged
3-8 years
