Principal's Report

PBL LAUNCH

I would like to personally thank everyone for their attendance on Thursday for our PBL launch, Fete and fund raising for Autism Awareness. It was a fantastic day, which was highly supported by the community. Thank you to the P & C for providing the morning tea, and special thank you to the staff and students for providing such a wonderful day. The school was able to raise \$1576.60 from the Fete and the money raised will go towards school excursions. Thank you to all those people who donated to the sliming of the teachers as we raised \$822.00 and will now be sent off to Autism Awareness.

SENSORY WORKSHOP

This week we have two staff attending a Sensory Workshop in Condobolin, the training these staff will receive will hopefully give our staff a more in depth knowledge on how to deal with sensory issues within the classroom.

TRENT BARRET SHIELD

Years 3 and 4 will be heading to Leeton this week to participate in the Trent Barret Shield. Students will be joining with Naradhan and Lake Cargelligo. I am sure the students will enjoy their day, thank you to Miss Pearce for organising this excursion.

WELCOME TO JESS NEILSEN

Welcome to Mrs Jess Neilsen who will be relieving as Principal whilst I am on leave for the next 6 weeks. I am sure Jess will enjoy meeting you all and will enjoy her time in Tulli.

LOWER LACHLAN ATHLETICS CARNIVAL

Unfortunately, this carnival will not go ahead as schools were not able to run their school carnivals in time. Miss Pearce will be video conferencing with the other schools to work out if any of our students are eligible to attend Western Region later this term.

Primary News

Trent Barrett Shield

Today students in Years 3 and 4 are off to Leeton to compete in the Trent Barrett Shield. They are joining with St Francis Lake Cargelligo and Naradhan. We hope you enjoy your day and play well.

Infants/Primary Science Day

Our students have been invited up to Lake Cargelligo Central School to be involved in a Science Day. During the day students will be split into groups and actively be involved in 3 experiments and a reflective session at the end of the day. A note will be sent home this week and could you please return it early next week.

3-6 Sydney Excursion

Our Sydney excursion is quickly approaching for students in Year's 3- 6. They will depart on Sunday 21st August and return Friday 26th. The final note and **payment is due by 15th August.** Please make sure you fill out the online medical forms ASAP, it is vital that you enter the following details to complete the online form:

Booking Number – **495371**

Booking Start Date - **21/08/2016**

Booking Venue: **Sydney Academy of Sport and Recreation**

For information on camp life and what to pack, go to

sportandrecreation.nsw.gov.au/schoolcampparentinfo

Please contact the school if you have any questions.

Fundraising

Primary students have been busily fundraising for their upcoming excursion. They have all been doing a terrific job taking on the responsibility. Special mention to Squirrel Morison-Tull, Alyssa, Amity and Jayden Loxley who have gone above and beyond in selling boxes of chocolates in their own time. Your time and efforts are much appreciated.

Fete/PBL Launch Day

Congratulations to all students for their efforts leading up to the fete/PBL launch day and their hard work on the day being organised, running stalls and helping where necessary. We hope you all enjoyed the day and should be proud of the money you raised.

Lower Lachlan Athletics

It is with regret that the Lower Lachlan PSSA committee have decided to cancel the Zone Athletics Carnival this year. This is due to poor weather conditions that we have recently experienced. The grounds which were to be used are unsafe for the events and weather is to be very intermittent in the lead up to the Western PSSA Trials.

Some schools are finding it difficult to hold their own carnivals in time for nominations to be submitted. I do apologise for the cancellation due to the weather and I appreciate your understanding. If you have any questions please don't hesitate to contact myself at Euabalong West Public School, 6896 6649.

Yours in Sport

Mr Allan Johnston

Lower Lachlan PSSA President

Year 5 & 6 are creating their own garden and are wanting recyclable 2 litre soft drink bottles to use. If you have any at home could you please send them into the school.

Relieving Assistant Principal

Secondary News

Welcome Jess

I would like to welcome Jess Neilsen who is here as the Relieving Principal for 6 weeks whilst Jacqui is on leave.

Exciting Movement in STEM

Next year we will be able to offer STEM (Science, Technology, Engineering, Maths) as an elective for Stage 5, Year 9 and 10, students. This will run across the Lachlan Access Program to give students access to new curriculum and the best teachers possible. I encourage all students entering Stage 5 or currently in Stage 5 to think about engaging with this new subject and way of learning.

Stage 5 offerings

Stage 5 elective information sheets will go out to students soon. Students still have plenty of time to contemplate and discuss their options for Stage 5 subjects but should be starting to think about what they would like to do. Students should choose subjects that interest them or those which they want to investigate further. These subjects are tasters and do not affect senior studies.

EDUCATION WEEK & PBL LAUNCH

Tullibigeal Central School celebrated Education Week in a big and wonderful way. The Education Week Open Day featured the official Positive Behaviour for Learning launch. The launch was an opportunity for the school to showcase their current way of teaching and learning. This event took place on Thursday the 4th of August and was marked by a student performance highlighting Respect, Responsibility and Resilience. Morning tea was provided for the community by the P & C. Following this, the school Fete along with Book Fair entertained the crowd. But that's not all. After raising over \$800 for Autism Awareness, eight brave staff members were slimed. T.C.S would like to thank everyone who supported this great cause.

Our PBL room is a new and exciting resource for our school. This space is a shared area for staff and students during learning times plus is open on Monday and Thursday during the lunch break.

Open Day was a very fun and successful day and our Positive Behaviour for Learning program has been launched. This celebration was a perfect example of how our staff and students work so well together. Our school values have been shared with the whole community and we hope to see our students displaying **Respect**, **Responsibility** and **Resilience** in all areas of their life in and out of school. Staff are now thinking ahead to the future of PBL and are looking forward to further professional development as well as lesson planning and teaching based on our matrix of expected behaviours. Overall, this was certainly a day to remember and eight lucky people found out that slime does wash out of hair and clothes! Thank you to everyone who supported this special event.

ATTENTION

The Progress Association finds itself in a difficult situation. Some of the executive need to step down from their positions. However lack of numbers at the recent Annual Meeting made this impossible. Even so the Progress Association **MUST** continue at least until after the Centenary Celebrations, otherwise there will be no insurance cover for the event and there are still things to do and ideas to explore to improve our community.

So if you have an interest in, or indeed a passion for your community, please attend our extraordinary meeting on Tuesday 23rd August at 7.00pm in the Community Centre (RSL).

CENTENARY CELEBRATION

I am trying to compile a time line for the Centenary Celebrations to be held on the June long weekend next year 2017. If anyone knows of any significant happenings in Tulli, could they please let me know asap.

A few things that I have thought of are:

What year did the Railway Station close?

What year did the Telephone Exchange go automatic?

When was the house for the RSL bought to town?

Where did the house come from?

When did the NAB close the Tulli branch?

When was the new Fire Shed built?

When were the Water Tanks built?

Was this when the Lake water came to town?

What year did the BNA close?

Could you either email leanneimrie@bigpond.com or ring me 69729125 or 042729320 if you know any of these things.

Thank you for your help
