Term 3

Week 8

6 September 2016

Truth * Consideration * Service

Principal's Report

Week 8 of Term 3 and hasn't the time flown! Just a reminder that school photos will be on Thursday and if you are purchasing school photos you can send the money in to the school office tomorrow so that you don't have to worry about forgetting on the day. Hopefully it will be a nice sunny day.

We will be thinking of Blair Barnes this week as he competes in the running events in Sydney at the State level. We are all very proud of Blair and we know that he will do his very best!

Congratulations to all the students who had successes at the Lake Cargelligo Show in the Pavilion and beyond. There is a section with a summary of student results from Mrs Haywood in this newsletter. A big THANK YOU goes to Mrs Hayward for the organisation of the TCS display and the time she put into setting up. This is also extended to Mr Grintell, Miss Frankel and Mrs Helyar.

I would like to send out my best wishes to Miss Goldthorpe who will be getting married this weekend. I hope that you have the most beautiful day and that everything goes to plan for you and your husband to be!

Professional Learning

It is rather a quiet week at TCS this week. Mr West and Mr Hague will be working together on PBL lesson plans in preparation for all staff to teach the values of Respect, Responsibility and Resilience in classrooms K-12 next Term.

They are working through the lessons on the school matrix that covers areas outside of the classroom. The PBL Leadership team had a productive day last Thursday spending the day participating in a Video Conference with the Head Teacher PBL Program and additional PBL schools generating ideas and refining current practices. There are a few new things on the way and some minor changes that will be communicated with the school community as they come into effect.

All Things Curriculum

Jessica Brown will be attending a Biology study day this week where she will have study time with her Video Conferencing class. The opportunity to study through VC is invaluable for students in small schools as this gives them access to study subjects they may not have been available otherwise.

Ag Show Team

Unfortunately, this was cancelled for Lake Cargelligo on the weekend but the team is all set and ready to go at West Wyalong tomorrow, Wednesday 7th of September. Keep up the amazing work you're all doing a wonderful job!

Enjoy your week!

School Photos

School photos are happening this Thursday 8th September. If you haven't already, please send in your photo order form.

PSSA Cricket

Good luck to Bill Dillon, Damon Imrie, Dylan Bendall and Blake Dillon who will be playing the next round of PSSA cricket with Ungarie students this Friday at Dubbo. Best of luck boys, play well and remember to display sportsmanship.

Footy Colours Day

Footy Colours Day will be held tomorrow Wednesday 7th September. Students need to bring a gold coin donation. They will be involved in some colouring competitions and short activities focusing on particular football skills in the afternoon.

K/1/2 Excursion

Miss Ward is busy organising an excursion to Griffith for the students in K/1/2 for Thursday 22nd September. A note with more information will be sent out this week. This excursion will include our Kindergarten Orientation Students.

Miss Pearce
Relieving Assistant Principal

DON'T FORGET SCHOOL PHOTOS

School Photos will be held this **Thursday 8th September 2016.**

Envelopes for this year's school photos were handed out last week. All envelopes need to be returned to the school before photo day (even if not buying). Family photos (Siblings attending the school only) are available and the envelopes for these can be collected at the front office.

Secondary News

This term at TCS students from Years 3 to 8 have been taking a skill based program called STEM, STEM combines skills from science, technology, engineering and maths. This term students have been divided into groups of three and were set a range of tasks; to build a bobsled to race down a 2 metre track to see who could get the fastest time. We have also joined into groups to build flying/hovering devices. We dropped our creations from a high distance to see whose device travelled the farthest.

Throughout this term we have been learning how to work together as groups, to problem solve and we have also taken part of things we have never done before. We have been using a website called Edmodo to keep track of our progress on our bobsleds and flying devices. We have been taught by Ms Goldthorpe and Mr Small and with sometimes being assisted by other teachers.

"It was a wonderful, amazing learning experience"-
Braden Payne

"It gave me many skills which will be handy for after school" – Grace Dillon

"It helped link my school life to the outside world"-
Paige Morison-Tull

Blair Barnes

Good luck to Blair Barnes who is travelling to Sydney today to compete in the State Athletics Carnival this week. We wish him all the best and we know he will try his hardest.

Show Team

The Show Team will be heading into the West Wyalong Show tomorrow with Miss Pearce. Good luck to all involved.

Swimming Pool News

Pool will open earlier in October weather permitting. The opening date will be advertised in the newsletter along with being on our Facebook Page.

Pool Supervised Hours

Will be revised as we are advertising for a supervisor and opening days/hours will be set around if we get anybody to apply. If nobody applies for the job it will most likely have to go back to voluntary run and this could mean that the pool isn't open every day. More details to follow.

A child under the age of 10 must be supervised by an adult (18 years and over).

To open the pool at any time out of supervised hours you will need to have your Current Senior First Aid, Current Bronze Medallion and be a member. The key can be collected from Mandy Glasgow or Louise Loftus. We hope to run a bronze medallion and first aid course in the future.

Memberships –

Family \$75 (Only to include school age children.

Anyone who has left school is classified as a single.)

Family with 2 children under 2 \$55

Grandparents/Couples \$55

Singles \$30

Pensioners/ Senior Card Holder \$15

Membership forms will follow at a later date.

Sport and Rec Swim Safe Lessons are on the 4th January 2016 to 14th January 2016. If you intend to put your children in to these please send in the form. If they don't get enough enrolled they will cancel them.

Save the Date.

Calcutta – Sunday 30th October 2016.

Looking forward to everyone's support for the upcoming season.

CLAIMING THE DATE

Tullibigeal Centenary
Celebrations
to be held on the June Long
Weekend (10,11,12) 2017

We have received many very interesting stories, information and photographs for our Centenary book, so far.

If you would like to have your family's story told and have not filled out a questionnaire or written your own story, please do so. **We cannot cover families if we don't know their story.**

Our aim is to cover Tullibigeal history, through your stories, from the early 1900's up to today.

We don't want you to miss having your part of Tullibigeal history to contribute, no matter how big or how small.

If you need a questionnaire or want help with putting your story down you can contact Linda Fair or Janelle Ireland.

To get all your information put together and ready for publication in time for our celebrations in June 2017, we will need to have your story by the end of June this year.

CENTENARY CELEBRATION

I am trying to compile a time line for the Centenary Celebrations to be held on the June long weekend next year 2017. If anyone knows of any significant happenings in Tulli, could they please let me know asap.

A few things that I have thought of are:

What year did the Railway Station close?

What year did the Telephone Exchange go automatic?

When was the house for the RSL bought to town?

Where did the house come from?

When did the NAB close the Tulli branch?

When was the new Fire Shed built?

When were the Water Tanks built?

Was this when the Lake water came to town?

What year did the BNA close?

Could you either email leanneimrie@bigpond.com or ring me 69729125 or 042729320 if you know any of these things.

Thank you for your help
