Kinder and Transition taking a ride on the School Bus

From the School,

Well it's Week 5 already and we are almost half way through the term. Secondary students should be spending this week studying for their yearly exams, which will be held next week.

This term will start to fill up and the next half of the term will be very busy. Transition to Kindergarten is going well and will continue for the next 3 weeks. All of Kindergarten to Year 2 as well as our transition students will be off to Altina Wildlife Park for a fun filled day of learning about animals. Years 7/8 will be heading off to Sydney for ASPIRE trip in week 7 as well as all Year 10 students will be attending Crossroads at Lake Burrendong. Please keep an eye on the calendar for up and coming events.

Kindergarten to Year 6 students will all be involved in the Intensive Swim Program which will run in Week 7 and 8 (20/11/2017-1/12/2017). More information about this program will be sent home with students at a later date.

Last Friday, Constable Craig Skene came and spoke to the students about bullying and mobile phone use. This session was very informative and students were able to ask questions to clarify their understanding. Thank you to Constable Emma Dyball from Lake Cargelligo Police station for coordinating this talk.

This Friday we have Brayden Davis visiting the school who will be working with each year group for sport. Students will be involved in a fitness program and should enjoy the experience of having a professional fitness instructor teaching them about fitness.

Last week our Year 6 to 8 students were involved in "F1 in Schools program". Students spent Friday in Condobolin observing the students from Condobolin High School, Lake Cargelligo Central School and Ungarie Central school race their cars. This was a great way to introduce STEM as an elective for students in secondary school.

MATHEMATICS WITH K/1/2

K/1/2 have been looking at different topics each week for mathematics. This week our topic has been data where we have been learning to gather data and how to organise it into a graph. We had been looking at the book 'The Day the Crayons Quit' in literacy. We wrote letters to our favourite coloured crayon, asking them to come back to work. We then used tally marks to mark our favourite colour and which crayon we were writing our letter to. After gathering this data, it was then used in maths to create our graph. Once the graph was completed K/1/2 answered questions in relation to the graph. -Miss Ward

COMMUNITY NEWS

TULLIBIGEAL CWA ANNUAL/ GENERAL MEETING REPORT CWA 2017

October meeting of Tullibigeal CWA held recently started a new year for our branch. Retiring President Fay Bendall presented her annual report outlining the great number of activities and events held and attended also included many achievements attained by members and the branch during the past year. Secretary Jennifer Ireland in her very comprehensive report stated that we had gained 2 new members and reported on CWA, Branch movements, community involvement and member .

Office bearers for positions within our branch have changed. We thank those who held office and done such a terrific job during the past 12 months and wish the members elected a great reign of office. Mrs Carol Ireland –as President will lead our branch, Jennifer Ireland - Secretary, Meagan McKenzie – Treasurer; Other officer positions include - Kerry AmoAmo - International; Ingrid Garland – Land Cooking; Betty Hall - Agricultural & Environment; Heather Lace – Cultural; Sue Newham – Handicraft: Group Councillors to represent our branch at CWA Group Council meetings shall be Carol Ireland and Betty Hall. A motion was moved to approve donations to various local organisations and a number of CWA projects. The cost for hire of our rooms shall increase by a very small amount from January next year to help defray cost of electricity and maintenance on the rooms.

The monthly meetings of Tullibigeal CWA, starting in February 2018, shall be held on the 2nd Wednesday of each month at our rooms. Change of our meeting shall allow for an extra Children's Services to be held at Tullibigeal. Use of our rooms also includes the services of a hairdresser who is visiting on a monthly basis at present.

Small prizes were presented for annual competitions to Fay Bendall for Bloom of the Month and Robyn Turner for the Monthly Competition. CWA members are preparing for the annual Melbourne Cup Day event that will include a fashion parade, large variety of market stalls, large screen coverage of running the Melbourne Cup Race, entertainment by Tullibigeal school children and lots more. Four of catering commitment have been undertaken this month. Our new refrigerator works well. Some maintenance has been carried out on the rooms. Winner of competitions for October meeting were. Kerry AmoAmo won both the Bloom of the Month and the Article made from recycled materials.
