14 February 2017

Principal's Report

What a great way to start the week! Yesterday we held our Annual Swimming Carnival and it was great to see so many students participating in every event and supporting other students in their races. Congratulations to all our Champions and both House Teams for their efforts. Thank you to Mr Small and Miss Ward for their efforts with coordinating the carnival. Primary students who are eligible will be heading off to Lower Lachlan this Thursday to compete and Secondary students who would like to compete at Western Region Carnival are urged to see Mr Small by the end of this week.

This week will see 3 new split systems placed in the 3-6 rooms and the 7/8 room. These air conditioners will help to maintain a comfortable learning environment for students in Years 3-6 and 7/8. Also there are now fridges in every classroom and students are encouraged to place their lunches and water bottles in the fridges to keep cool. I'm sure we haven't seen the last of the hot weather yet!

Mr Small, Mr West and Miss Bell will be heading to Griffith this Thursday to observe Learning Environments in the Secondary area and will be looking for new and innovative ways of teaching. I'm sure these visits will help support student learning in our secondary classrooms.

This term we will be holding our first Learning Planning meetings with parents and students, these will help to direct student outcomes throughout the year. We will hold the meetings Term 1 and 3 with official Reports to parents' Term 2 and 4.

We hope this new structure will help to make our meetings more beneficial to student learning.

PBL lessons will begin this week these will be held once a week with mixed ability and age groups and student will be working through appropriate behaviour in specific places. Students will have time to discuss and practise the appropriate behaviour.

Attached to the newsletter is information about the changes to the School Drive Subsidy. If you are entitled to this, please contact the NSW Transport or come and ask more about it at the school.

The Melbourne excursion is full steam ahead. All expression of interest and deposits are due into school this Friday. Once we have definite numbers we will hand out more information about the trip. By the looks of the itinerary, it is going to be a fantastic excursion! Just a reminder if you need more details about the excursion or if you would like to discuss a payment plan or need help with covering the cost of the excursion please come in and we can help.
