Term 1

Week 10

6 April 2017

Truth * Consideration * Service

Principal's Report

Hasn't this term flown. It's the last week of Term 1 and it's great to see everyone still working hard. Last week our Years 3 to 12 had a fantastic time in Melbourne and I am sure you will be keen to hear all the exciting stories from their week away. Thank you to Miss Pearce, Mr Small, Mr West, Miss Ward, Mr Szota, Jan and Breanna for their efforts with the excursion.

ANZAC Day Commemoration Service will be held in Tullibigeal at 11am, could all students be dressed in their full school winter uniform at the Big Hall by 10.30am on Tuesday 25th April. We hope to see many students there.

Congratulations to Dylan Bendall who has been successful in being selected in the Western Region PSSA AFL team who will compete at the State Carnival in Parkes next term. Also congratulations to Blake Dillon who has made it through to the next round of the cricket trials for Western Region Cricket. Blake will attend the trials later in the year.

This Friday we will be hosting an end of Term Assembly starting at 10am we would like to invite all parents and community members. Students have also reached our first level on the PBL awards and we will be celebrating with a Crazy Hair and Hotdog lunch. All students will be given a free Hotdog on Friday. We will also be celebrating Harmony Day and Easter with some fun activities. Students are able to wear mufti clothes to celebrate Harmony Day. There is more information about the day attached to the newsletter.

Good luck to our swimmers Elly, Blake, Dylan and Jessie who will be heading to Sydney to swim at the Sydney Olympic Park competing in the State Swimming Carnival. These students will be swimming in the Peter Dobson Small Schools Relay. Good Luck kids!

Finally, I hope everyone has a relaxing and enjoyable break and I hope the Easter Bunny finds you. School will return for all students on Wednesday 26th April 2017.

Primary News

I would like to wish everyone a safe and happy Easter Holiday, enjoy your break and remember students start back Wednesday 26th April.

Good luck to our Relay Team of Elly Ireland, Dylan Bendall, Blake Dillon and Jessie Tyack who are competing at State level this Thursday 6th April. We hope you enjoy your experience at Homebush Aquatic Centre and can't wait to hear your results.

Dylan Bendall and Blake Dillon represented TCS yesterday at Western Rugby League Trials in Dubbo. Both boys played with the Lachlan team and displayed fantastic sportsmanship. Dylan made it through to possibles v probables but unfortunately both boys were unsuccessful on selection.

Something to think about in the holidays.....

A Quick Bite ...

Crunch & Sip at home.

Have you ever been stuck for ideas for games to play with your children?

Why not try some of these ideas? They are great for the imagination and can help children learn and develop in many ways. The games can be played for 2 minutes, 5 minutes or occupy children for longer depending on their age.

- A-Z game—what fruit and vegetables can the children name beginning with the letters of the alphabet
- Colours of fruit and vegetables—how many fruit and veg can the children name of the same colour eg, what fruit and veg are red?
- Draw a new fruit or vegetable
- Draw a superhero made from fruit and vegetables. What would their superpower be?
- What else could fruit and vegetables be used for, other than eating eg, a pretend telephone (banana), shampoo etc. What new ideas can your children think of?

Secondary News

Excursion

Thank you to all students who attended the Melbourne excursion last week. Your behaviour was excellent and you represented the school with responsibility, respect and resilience.

A big thank you to all staff who attended the excursion and made for an enjoyable week away with the students.

Assessments

Thank you to all those students that have applied themselves to their assessments this term. We have some excellent visual displays to brighten our classrooms. These assessments form an invaluable part of student learning. As teachers, we are constantly looking for innovative ways to deliver assessment and reduce the workload for students. This is why this term we have had several combined assessment tasks and will look for areas we can combine in Term Two. We are more than happy for students to hand in drafts early to receive feedback on how to improve.

I hope everyone has an enjoyable two-week break and return refreshed for next Term ready for lots of learning.

POLICE VISIT

On Monday Years 3-6 were visited by a Police Officer- Craig Skene. During this Term Years 3-6 have been learning about The First Fleet and have been finding out reasons why convicts were sent to Australia on the First Fleet. We were interested to find out about what would happen today if you, for example stole a bag of onions! Craig gave us some great information about the history of NSW Police and how our Police force was established. We even found out some local history of a police officer being shot in Tottenham. We had plenty of questions and some of us got to try out the handcuffs!

LAKE CARGELLIGO HEALTHY KIDS BUS STOP

9-11 May 2017

What is the Healthy Kids Bus Stop?

The Healthy Kids Bus Stop is a **FREE** child health check and pathway to care program for children aged 3-5 years old. The program includes:

- A comprehensive child health check
- Vision and hearing check
- Oral health check
- Fine and gross motor skill assessment
- Speech assessment
- Food and Nutritional assessment

Why are health checks important?

Regular health checks keep kids healthy. Health checks will identify lifestyle, development or illness-related issues and will help your child be healthy and fit and ready to learn when they start school.

How do I book my child in?

Registrations are essential. Please call Royal Far West on 02 8966 8500 or log onto the website <http://www.royalfarwest.org.au/healthy-kids-bus-stop>

A time slot will be selected that suits you and your child. As this is a comprehensive health check please allow up to 2 ½ hours for appointments.

Registrations close 4 May 2017 but a waitlist will be kept

Where will it be held?

Lake Cargelligo Central School

What do I need to bring?

- Your child's Blue Book
- Your child's hat
- Your child's drink bottle
- Snacks for your child

ABOUT THE HEALTHY KIDS BUS STOP

The Healthy Kids Bus Stop is a whole-of-child health screening, assessment and pathway to care program for children turning 4, or those that have turned 4 or 5 years old in the year the program is provided. It is a collaborative program, led by Royal Far West and supported by Local Health Districts, Primary Health Networks, Aboriginal Health Services and other local stakeholders.

The program aims to improve the health and well-being of children living in rural and remote communities through early detection of lifestyle risk factors; delayed development; and/or illness. Additionally it provides the opportunity to introduce guidance for healthy lifestyles and early intervention strategies.

The Healthy Kids Bus Stop delivers a comprehensive health assessment in line with the NSW Health "Child Personal Health Record" (Blue Book). The health assessment is undertaken by a multidisciplinary team of nursing and allied health staff from Royal Far West, the Local Health District, the Primary Health Network, Aboriginal Health Service and other local health service providers.

The program is designed to be a fun and interactive health program where children progress through bus stops or 'health stations', hopping on and off at each station in order to complete their health assessment. Children receive a bus pass stamp at each station along the way. Health stations include:

- Health Assessment
- Vision
- Oral Health
- Hearing
- Dietetics
- Speech
- Fine and gross motor skill development
- Health Promotion

Between health stations children are engaged in free or directed play, whilst parents or carers are provided with the opportunity to consult further with the multi-disciplinary team of health professionals or collect health promotion material of interest. When all stations have been attended, children are rewarded with a 'show bag' containing goods to support their health and development.

At the conclusion of the Healthy Kids Bus Stop a multidisciplinary case conference is undertaken where each child's health assessment is reviewed and used to develop a coordinated referral pathway. The pathway includes the child's local GP and Child and Family Health Nurse as key referral points, with Royal Far West, the Local Health District, Aboriginal Health Service, the Primary Health Network and other local services supporting the child's identified health needs.
