Term 4 | Week 3 | 29 October 2019

### From the School,

Week three already! It's great to be back and it was lovely to catch up with the students yesterday although only for a short visit as I was out of the school for meetings in the morning. It was great to see everyone after such a long break. I would like to thank both Mr Small and Ms Gleeson who stepped into extra roles whilst I was away. I would also like to thank Mrs Tyack and Mrs Glasgow who made sure the school ran smoothly during my absence.

I have certainly returned with a very busy term ahead. The school is starting to plan for next year and I would like to congratulate Mr Fung who has accepted a transfer to Chatswood for 2020. The school has started the process of trying to replace Mr Fung and we are hoping to have a math teacher at the start of next year.

This week the school has started the Library stocktake. I would encourage all students and parents to look at home for any Library books and to return them to the school at your earliest convenience.

This week Sporting Schools will be returning with all students involved in tennis lessons. This will occur on Wednesday. Students can bring their own racquet if they would like to use it otherwise equipment will be supplied by the school.

This Friday all student will be heading to Lake Cargelligo to take part in the NAIDOC day celebrations with surrounding schools. All students will be heading to Lake Cargelligo on buses and should be returning within the school times. Please make sure your child's notes are returned to the school ASAP.

Last Thursday Years 9/10 went to Lake Cargelligo to the Love Bites program. We left school at 8:30am and returned at 2:30pm.

At the program we learnt about sexual abuse and domestic violence and how that affects peoples lives in the after math. We would like to thank the people running the program for giving us this opportunity to learn about this sort of thing.

By 9/10

On Tuesday we travelled to Dubbo for ASPIRE. When we got there we had dinner and then went bowling. On Wednesday we done some activites for about 4hrs. We then headed home. We all really enjoyed it. Thankyou to Miss Jennings for taking us.
