From the School,

Last week we celebrated Education Week. Thank you to Mrs Hayward for coordinating the fantastic video of our students working and learning together. It was wonderful to see all the different ways we learn at Tullibigeal Central School. If you haven't had a look I suggest you have a look on our facebook page.

Every Monday this term our Stage 3 students are working with Secondary students in skills-based literacy and numeracy groups. These groups will run period 5 and Stage 3 students will stay in class until the end of the school day at 3.05pm. If you would like to discuss this please do not hesitate to contact the school.

Last Friday the weather turned very cold and we decided to postpone our Cross Country/Lapathon. A new date will be decided shortly and will be advertised. Although it was fantastic to see some much needed follow up rain, lets hope we can find a nicer day to hold our Cross Country/Lapathon later in the term.

Last week Grace attended her last study days at Condobolin High School. Students from Lake Cargelligo, Ungarie, Condobolin and here all joined together to complete some face to face lesson with their cohort and teachers. Later in the term our Year 11 students will also attend preliminary study days.

Yesterday ICAS entries closed and these tests will run over the next few weeks. Good luck to all those students who will be participating. Last week we had some students participate in the Australian Maths Competition. Well done to all those who competed and the results of these test will be out later in the year.

GRAFFITI SPREE CHARGES

Above (left and right): Last Wednesday Tulli residents woke to find graffiti defacing the walls of several Churches, the Community Hall and fences in town. Photos courtesy of Louise Loftus.

SOMETIME between 6:00pm on Tuesday the 28th of July 2020, and 8:00am on Wednesday the 29th of July 2020, a number of Churches, Community Hall and residential fences in the township of Tullibigeal were marked with graffiti. These matters were reported to Police and an investigation commenced.

About 8am on Thursday the 30th of July 2020, the amenities block at the Tullibigeal Pioneer Park was damaged with a basin and mirror smashed. The mirror was also marked with graffiti. These matters were reported to Police and an investigation commenced.

About 11:15am on Friday 31st of July 2020, a fence in Dundoo Street, Tullibigeal was marked with graffiti. These matters were reported to Police and an investigation commenced.

As a result of these investigations Police attended a residence in Tullibigeal and arrested a male for these offences. The male was conveyed to the Lake Cargelligo Police Station and charged with two counts of 'intentionally mark premises etc without prescribed consent' and one count of 'Destroy or damage property'. The male was released on conditional bail to front the Lake Cargelligo Local Court. Despite the anguish however, a massive effort was undertaken by secondary students at Tullibigeal Central School last Friday to assist in the clean up of the recent graffiti around the village. Principal at Tullibigeal Central School Jacqui Davis said she was extremely proud of the students effort. continued page

...while Tulli students come to the rescue

Tullibigeal Central School students and the Lachlan Shire came to the rescue last Friday by using paint stripper to clean up the graffiti which was sprayed all over the village. A Tullibigeal man has been arrested and charged over the incident.

Thank you!

A big thank you
On behalf of the Tullibigeal Community the Progress Association would like to sincerely thank the secondary students and staff, who demonstrated their community spirit by assisting with the clean-up of the town after the vandalism last week.
It is fantastic to see that our young citizen students were willing to step up and help in times of need and show pride in our little town.
You are to be commended for your community spirit.
Thank you.
