Term 2 | Week 8 | 8 June 2021

From the School,

Welcome to Week 8 of Term 2.

Last Friday the school held their annual Athletics Carnival. Unfortunately, I was unable to attend and whilst the weather conditions might have been trying, from all accounts participation from all students was excellent. Congratulations to Farrer who are house champions for 2021. Primary students who have made Lower Lachlan will be informed and any secondary students meeting the standards to participate at the Western Trials will be given the opportunity to do so. A massive thank you to all the staff for their involvement on the day and also to all the community members who assisted to make the day successful.

This morning was Walk Safely to School day, where all students and teachers met at the park and walked to school whilst learning and demonstrating safe practices. Well done to all students for participating in a responsible manner.

On Wednesday students from Years 9-11 will attend the Mock Crash seminar at Lake Cargelligo Central School. Under the guidance of emergency services personnel, the Shire's Road Safety Officer and Mrs Hayward, students will learn about the devastating consequences of irresponsible behaviours whilst on our roads. They will gain an understanding that it is not only drivers that need to make responsible decisions, but as passengers we can hold great influence about the decisions being made. There will be a follow up session held in Parkes later in the year.

We wish Sophia Newham, Ivy Helyar, Joanna O'Reilly, Amelia O'Reilly and Jedd Turner all the best as they participate in the Western Trials for Cross Country which is now on Friday. Participate to the best of your ability and I am sure we will hear of some great results coming from these trials.

All the best to Juliet King as she completes a week of work placement this week. This week will provide Juliet the opportunity to develop valuable on the job skills to complement her VET Primary Industries course being studied at school. All students in Years 9-11 will have the opportunity to spend a week in their chosen field of work to gain first-hand experience of the job.

Unfortunately, one of our staff will be leaving at the end of this week, as she has made the decision to move back closer to family. Thank you to Miss Taylor Dickinson for the work she has done at Tullibigeal Central School over the previous 18 months. You have been a valuable member of staff with all students responding well to your teaching.

I wish everyone a safe and enjoyable long weekend and we will see all students return to school on Tuesday next week.

Dear Parents/Caregivers

We are delighted to inform you that Tullibigeal Central School will be participating in the world-renowned ICAS Assessments this year. ICAS is developed by UNSW Global, a wholly owned subsidiary of the University of New South Wales, with over 35 years' experience in educational assessments.

ICAS is designed to target students' higher-order thinking and problem-solving skills in English, Mathematics, Science, Spelling and Digital Technologies. Each assessment celebrates students' accomplishments by providing opportunities for recognition. Every student will receive a certificate and an online result report. Top performers will be eligible for medals and are invited to attend special award ceremonies to have their academic excellence publicly recognised.

We encourage you to consider entering your child into ICAS this year. The assessments are suitable for students wishing to extend themselves academically and take up the personal challenge of competing in an international assessment. Your child will be presented with high-quality, expert-developed questions, allowing them to apply their learning without the need for prior study or revision.

ICAS Assessments are now online, a move that reflects a sector-wide transition to computer-based assessment. This allows greater accessibility for students and faster delivery of results.
