Term 2 | Week 9 | 16 June 2021

From the School,

Second last week of term but still plenty going on.

Well done to Joanna O'Reilly on her achievements at the Western Region Cross Country Trials last Friday. Joanna placed third in the 12 years girls, which means she has been selected in the Western Region Team to compete at the State Championships later in the year. Impressive effort Joanna.

All secondary students who met the standards for Western Region Athletics, received a note last week indicating which events they are eligible to attend the Western trials for. If these notes could please be returned by tomorrow that would be appreciated. Students will then be nominated in their chosen events.

Tomorrow, Wednesday 16th June, students from Years 9-11 will attend a Careers Day in Leeton, where they will investigate possible future careers. Thank you to Mr O'Brien and Mrs Doyle for organising this excursion for the students. Next week students in Years 9-11 will be completing a week of work experience in their chosen occupation. This will provide these students with an invaluable insight into a possible career path once they finish school.

Next Tuesday, students from Years 7,8 and Yr 11 Art Classes will be provided the opportunity to travel to Griffith with Mrs Hayward on an Art Excursion. They will attend the Archibald Prize Exhibition and the Mural Alley. This excursion has been organised to complement what is happening in the Visual Arts classroom. In other news from the Arts, the students' animal murals have been installed at RSL hall. Please take the time to go pass and have a look at the excellent artwork. Thank you to Elaine Bendall for co-ordinating the location for the installation and to Mrs Hayward, Mr O'Brien, Dylan Bendall and Blake Dillon for assisting with the installation on the day.

In SRC news, a handball competition has been organised for Thursday 24th June 2021. These competitions have been hugely successful previously with high participation across the school from both students and staff.

Dear Parents/Caregivers

We are delighted to inform you that Tullibigeal Central School will be participating in the world-renowned ICAS Assessments this year. ICAS is developed by UNSW Global, a wholly owned subsidiary of the University of New South Wales, with over 35 years' experience in educational assessments.

ICAS is designed to target students' higher-order thinking and problem-solving skills in English, Mathematics, Science, Spelling and Digital Technologies. Each assessment celebrates students' accomplishments by providing opportunities for recognition. Every student will receive a certificate and an online result report. Top performers will be eligible for medals and are invited to attend special award ceremonies to have their academic excellence publicly recognised.

We encourage you to consider entering your child into ICAS this year. The assessments are suitable for students wishing to extend themselves academically and take up the personal challenge of competing in an international assessment. Your child will be presented with high-quality, expert-developed questions, allowing them to apply their learning without the need for prior study or revision.

ICAS Assessments are now online, a move that reflects a sector-wide transition to computer-based assessment. This allows greater accessibility for students and faster delivery of results.
