Term 3 | Week 1 | 13 July

### From the School,

Welcome back! I hope everyone had a wonderful break and are looking forward to a great term. It is great to be back and I would like to thank the staff for their support and keeping the school running whilst I was on leave. I will be working 4 days a week for the next month, Monday to Thursday and Ms Sarah Bell will be stepping into the chair on Fridays. This term has seen some changes to our staffing. Although the school has been working closely with our Director to fill the teaching position within the school which we have not yet been successful. In the mean time we have employed Mrs Kelly Tyack who will be teaching PD/H/PE, Mrs Sonya Ward for TAS and Mrs Lisa Bendall for English. We welcome these staff members to our school.

We have returned to school with many restrictions in place and I would encourage all parents and community members to keep up to date with the current advice which can be found on the following link:

No student is turned away • Reduce mingling of student cohorts wherever possible • No non-essential visitors • QR Codes in place • Mandatory masks indoors for all staff and secondary students

Determined by NSW Health

Pictured across are the Covid-Safe School Operation levels. We are currently in level 2.

While at school, masks or face coverings are recommended in all indoor settings for:

- all students in Year 7 and above
- all staff in school settings.

Unfortunately non-essential visitors are not permitted in schools. Some visitors are permitted in schools based on the guidelines that follow.

Parents and carers must follow their school's advice regarding changes to drop off and pick up including staying in the car when dropping off and picking up children if safe to do so.

Parents should:

- maintain physical distancing by avoiding gathering outside of school gates
- remain outside of school grounds
- follow mask-wearing requirements and sign in using the Service NSW QR code when entering the school.
- Parents and carers are not to enter school grounds without arranging a meeting prior. This can be arranged by calling through to our front office staff on **6972 9105**

Canteen will continue Wednesdays however we do ask that only one person run the canteen and that younger siblings should not attend. Please contact the school if you need to discuss this further.

On returning to the school I have noticed there has been some changes including our library which has been transformed into a wonderful learning space. I would encourage all students to take some time to find a book to read, even if you are in secondary there are plenty of fantastic books to read. Thank you to Eryn and Breanna for their fantastic work. If you would like to discuss these guidelines further please contact me at the school.

Dear Parents/Caregivers

We are delighted to inform you that Tullibigeal Central School will be participating in the world-renowned ICAS Assessments this year. ICAS is developed by UNSW Global, a wholly owned subsidiary of the University of New South Wales, with over 35 years' experience in educational assessments.

ICAS is designed to target students' higher-order thinking and problem-solving skills in English, Mathematics, Science, Spelling and Digital Technologies. Each assessment celebrates students' accomplishments by providing opportunities for recognition. Every student will receive a certificate and an online result report. Top performers will be eligible for medals and are invited to attend special award ceremonies to have their academic excellence publicly recognised.

We encourage you to consider entering your child into ICAS this year. The assessments are suitable for students wishing to extend themselves academically and take up the personal challenge of competing in an international assessment. Your child will be presented with high-quality, expert-developed questions, allowing them to apply their learning without the need for prior study or revision.

ICAS Assessments are now online, a move that reflects a sector-wide transition to computer-based assessment. This allows greater accessibility for students and faster delivery of results.

Learn more about ICAS here: [unsw.global/ICAS](https://unsw.global/ICAS)

Dear Parent/Caregivers

### **Photo day will be on MONDAY 2<sup>nd</sup> August 2021.**

This year we have had to change to another school photo company called Advancedlife School Photography & Print Specialists. Things are a bit different to what we have been used to in the past and as we are a small school we have had to go with a different way of ordering.

At a cost of \$44.00 per student you will receive a regular pack which includes:

- Portrait sheet of your child
- A4 Photobook which includes a class photo and individual portraits of class mates
- The option to download your child's digital image

There will be an option for extra ordering of photographs online after the initial purchase of the regular pack.

Sibling photos are available and you can request an envelope from the front office. These must be ordered before photo day for planning and organisation.

### **Photo orders are due by Wednesday 28<sup>th</sup> July 2021.**

If you wish to see a sample or have any further question please contact the school on 02 69729105.
