

## FROM THE SCHOOL,

Presentation night was a huge success and the air conditioners worked a treat! It was great to see students showcase their talents in the class performances and our School Captains hosting the evening. It takes a lot of courage to speak and perform in front of a crowd, but I do believe it is life-long skills students need to succeed in life. Congratulations to the award winners for your outstanding achievements throughout the year. Yesterday was a great day with students thoroughly enjoying the colour run, fete and music trivia. I hope it didn't take parents long to get the colour out of kids' hair and clothes! Thanks to the SRC, Mrs Bendall, and Miss Anderson for organising the day. It takes a lot of effort and time to run such an event, the dedication to students is much appreciated.

Interest Day will be held today, with another day of action-packed activities. Thanks to the staff for going above and beyond. I hope the students take home some worthy items and learn some valuable new skills.

So much has happened this year, lots of individual success stories and plenty of things happening across the school. Small schools really do provide students with a lot of opportunities to further their educational, social, sporting or artistic development. Thank you to everyone who has supported me as a Relieving Principal throughout different times during the year. I have thoroughly enjoyed the opportunity. I would like to wish staff, parents, students and the wider community a safe and happy Christmas and holiday period. School resumes for students **Thursday 8th December 2024**, with the Swimming Carnival on **Friday 9th February 2024**.

  - Glue Stick
- 

# School swimming and water safety program

Over the last fortnight students in Years K-6 participated in our school swimming and water safety program. Students developed water confidence, were given technique guidance in competitive strokes and learnt basic skills in water safety and survival. Students had a lot of fun swimming every day, interacting in different groups, and showed resilience in learning new skills and when facing challenging weather. Thank you to all staff and students who made this year swimming a success.

# FUN AND GAMES

# Presentation Day

Tuesday 12th December 2023

## Kinder Start Program Awards

For successfully completing the Transition to School Program.

## Kindergarten Class Awards
