FROM THE SCHOOL ,

TULLIBIGEAL CENTRAL SCHOOL

Respect, Responsibility, Resilience

Last week we farewelled Mr Giles who has taken extended leave for the remainder of the year. Mr Giles will not be returning next year as he is moving back to Tathra. We wish Mr Giles and Marg all the very best!

This week our primary students begin their swimming lessons. A reminder to make sure your child has appropriate attire for the lessons. These lessons will run over the next two weeks, weather permitting.

Our Presentation Night has been changed to Monday 5th December, starting at 5pm. Mrs Mason has been working with the whole school to create an enjoyable performance for the evening. We hope to see everyone there.

Staff are currently completing reports and these will be available in Week 10. These will be sent home with your child. If you would like to make a Parent-Teacher Interview with your child's teacher, please call the front office.

In Week 10 our 3-6 students will be heading to Canberra for their long-awaited excursion. I cannot wait to hear all about their week away.

Last week and this week our stage 5 students are out in the workforce completing work experience. Thank you to Mrs Fiona Doyle for organising these opportunities for our students.

Unfortunately, the Life Ready Camp for our Year 10 students has had to be postponed due to the recent flooding. We are hoping to send the students early next year.

The weather is finally starting to heat up. A reminder that students need to be wearing bucket hat and need to have a water bottle.

3-6 - Isla, Sophia, Indie and Charlie
Absent- Skye

7-10 - Dylan, Kyron, Jack and Ricky

Term 4 Week 6
Rusty Rewards

Term 4 Week 7
Rusty Rewards

Years 3-6 Science

Year's 3-6 put on their safety glasses and lab coats this week for a science lesson in the laboratory with Mrs Tyack. Students used their background knowledge to explain the term ‘rust’ and examples of rusting in our everyday lives. They then went on to hypothesise and carry out an experiment to determine which substance (water, oil, vinegar, saltwater) would cause the iron nails to rust. Watch this space for the results of the experiment in the coming weeks.

Congratulations to the MacqLit Literacy group

who completed the entire program with flying colours last week!

As a result of your year long dedication to improving your literacy, you have all shown impressive growth in your reading fluency and accuracy and in the way you can recall and apply spelling patterns to help you to spell with increased accuracy.

Well done!

Homework Club

This term we are trialing Homework Club two afternoons a week during afternoon play time. This will be held Tuesday's and Wednesday's.

It is available to anyone that would like the opportunity to do their homework or home readers at school with a teacher.

Beach to Bush

Last week we had a visit from the 'Bush to Beach' program. Students learnt about how to be safe at the beach and the dangers in and around the water. We learnt how to identify rips, dangerous sea life and how to seek help if we are in danger.

The program was an awesome experience.

Transition Buddy Reading

Students from Years 6 and 8 reading with Transition and Kinder.

WHAT'S WITH THE CHICKEN SALT?

See you at our Presentation Evening to find out!

Monday 5 December 2022

5pm

Tullibigeal Hall

What has Charlie done to upset Mason?

Is Skye taking up the violin

What's with Jordan's hat?

Why is Isla not amused?

SO MANY UNANSWERED QUESTIONS....

Experience a
